RECOMMENDATIONS

1. That the proposed street corner opening as shown on Misc. Plan No. 14545 be approved.

2. That the Director of Legal Services and City Solicitor be instructed to prepare the necessary by-law for submission to Council to effect the street corner opening in accordance with Misc. Plan No.14545.

REASON FOR THE REPORT

All street and lane openings not previously approved by Council require the consideration of the Community Committee.

IMPLICATIONS OF THE RECOMMENDATIONS

There are no policy, regulatory, environmental or human resource implications associated with the recommendations.

Funding for the preparation and registration of the documents required to dedicate the land as public street has been provided by the Public Works Department. These costs are within the approved current budget and are considered to be immaterial in nature.

HISTORY

The Planning, Property and Development Department is proceeding with an application on behalf of the Public Works Department to open the southwest corner of Bishop Grandin Boulevard and St. Anne's Road as identified on the attached copy of Misc. Plan No. 14545.

The City is the owner of the land required for the opening, being Lot 1, Plan 34392 WLTO. This land is currently zoned R1 and has been reserved by the City for a future traffic interchange. Entegra Credit Union is the owner of the property adjoining the proposed opening, being Lot 2, Plan 34392 WLTO. The Entegra property is currently zoned C2. Entegra is redeveloping this property as a commercial site and has expressed interest in leasing the adjoining City land for the creation of approximately 26 parking stalls. Rather than rezone the R1 City property to C2 and apply for an associated conditional use for non-accessory parking, Entegra will enter into a lease/encroachment agreement with the City to accommodate their needs. Before the encroachment agreement can take effect, the land must be opened as public right of way.
