RECOMMENDATIONS

That the Building Communities Initiative II Phase II – Old Kildonan (Project No. 6351912113) capital program budget be increased by $26,000 for the additional site improvements identified in this report, to be funded by a contribution from the Seven Oaks School Division No. 10.

REASON FOR THE REPORT

Council approval is required to increase Capital Project and/or Program Budgets.

IMPLICATIONS OF THE RECOMMENDATIONS

- The 2013 Building Communities Initiative II Phase II – Old Kildonan Ward Capital Program Budget will increase from $100,000 to $126,000.
- The funding source for the proposed budget increase consists of a $26,000 contribution received from the Seven Oaks School Division.

HISTORY

On March 8, 2013, Building Communities Policy Committee (Minister of Local Government and Mayor) approved an allocation of $200,000 for the Elwick School and Park Site Improvements - Phase Two. Of the $200,000 approved, $100,000 has been set up in the 2013 Planning, Property and Development capital budget. The remaining $100,000 will be set up pending adoption of the 2014 capital budget.

The project is being implemented in partnership with Elwick Community School, Seven Oaks School Division and Maples Recreation Association.

The original Phase One project was completed in 2012 and included asphalt paving, site drainage and basketball courts.

Seven Oaks School Division has provided a contribution of $26,000 towards Phase Two of the project for additional site improvements including new turf, benches and skateboard features. Increasing the budget by an equivalent amount will enable completion of this portion of Phase Two of the project.
