EXECUTIVE SUMMARY

In establishing the Endowment Fund, the Winnipeg Police Service positively impacts communities by subsidizing initiatives that support the Service vision of *Creating a Culture of Safety*.

More specifically, the Fund supports the well-being of the community through long-term social, health and educational improvements by investing in the lives of children, youth and families to impact them in a positive way.

IMPLICATIONS OF THE RECOMMENDATIONS

If the recommendations of the report are concurred with, the Winnipeg Police Service will establish the endowment fund and disperse the income in accordance with the By-law.

HISTORY

The Winnipeg Police Service Endowment Fund will be authorized by by-law and will be administered by the Winnipeg Foundation pursuant to the terms and conditions of an agreement between the City and the Winnipeg Foundation. The creation of a permanently established Endowment Fund is a long term strategy to generate an annual revenue stream to provide much needed support for at-risk families and children, who for various reasons require additional support from the community.

The Endowment Fund supports the philosophy of crime prevention through social development, which is an approach to crime prevention that deals with socio-economic risk factors that cause crime. The WPS Endowment Fund has been designed for the advancement and enrichment of underserved and at-risk families and children. The goal of the Endowment Fund is to subsidize recognized projects within the community, which support the Service vision of creating a culture of safety.

The WPS Endowment Fund will give grant recipients the tools to provide at-risk members of our community the chance to seize opportunities, and enjoy a healthy and meaningful life, and in so doing, reduce the risk of falling into an unhealthy live style.

The Fund will be overseen by the Winnipeg Police Service Endowment Fund Committee on behalf of the City of Winnipeg. The Committee is made up of the Chief of Police and the Deputy Chiefs for Police Operations and Support Services. Its duties will include distributing the proceeds of the fund in accordance with policies as detailed in the Endowment Fund Policies and Guidelines, reviewing reports on the projects that have been funded, and publishing an annual report on the Fund's activities.

Grants from the Fund are designed to support crime prevention through social development and, more specifically, to support the well-being of the community through long-term social, health and educational improvements by investing in the lives of children, youth and families to provide them with positive life experiences. Disbursements of grants will occur during the first week of April each calendar year. The project or activity for which the grant is made must occur within the geographical area of the City of Winnipeg and last for not more than one year. Grants will not support capital projects, including property renovations, or projects normally funded by schools or government.

The Committee is authorized to refuse contributions to the Fund which may tarnish the reputation of the Fund.

The $20,000.00 seed money required to establish the Fund has been obtained from donations received from the community at the "One Heart" event, which is an annual multi-church gathering in the city.
