RECOMMENDATIONS

1. That the City-owned property North of Scotia Street between Main Street and the Red River, identified as "Subject City Property – Parcels C, H, & N, Plan 52275" on the attached Misc. Plan No. 14408/2, be declared surplus to the needs of the City.
2. That subject to the approval of recommendation # 1, that the sale of the "Subject City Property – Parcels C, H, & N, Plan 52275" to River Ridge 2 Facility Inc. for the purchase price of \$1.00 be approved together with all other terms and conditions that the Director of Planning, Property and Development and the Director of Legal Services consider necessary to protect the interests of the City.
3. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

REASON FOR THE REPORT

Council approval is required to declare the City-owned property surplus to the needs of the City.

Standing Policy Committee on Property and Development approval is required to approve a sale to River Ridge 2 Facility Inc. for \$1.00.

IMPLICATIONS OF THE RECOMMENDATIONS

Declaring the Subject City Property surplus and selling it to River Ridge 2 Facility Inc. will achieve the intent of the City to have the Developer dedicate the lands required by the City for the extension of Scotia Street to Ridgecrest Avenue, to the City at no cost.

There are no regulatory or human resource implications associated with the report.

The City's standard terms and conditions of sale will include provisions to protect the City's interests in the event that environmental contamination is discovered.

There are no direct financial implications associated with this recommendation.

HISTORY

On January 26, 2011 Geal Investments Ltd. and Gerald Doull McDonald received approval from Council for a subdivision and rezoning application DASZ 22/2010. Under this application, the Developer was required to transfer, to the City, at no cost, the lands shown as "Subject City Property – Parcels C, H, & N, Plan 52275" on Misc. Plan No. 14408/2 (attached), free and clear of all encumbrances, save for standard utility caveats. As information, the parcels were established essentially, as placeholders for the future extension of Scotia Street on the understanding that a future development application would establish the final Scotia Street alignment.

On September 27, 2012, River Ridge 2 Facility Inc. received Council approval for subdivision and rezoning application DASZ 13/2012. The administrative report for this application, however, failed to recommend that Parcels C, H, & N, Plan 52275 be declared surplus and sold to River Ridge 2 Facility Inc. for the purchase price of \$1.00 as intended, to be consistent with the intent of the prior application DASZ 22/2010.

Amongst other things application DASZ 13/2012 requires the Developer to "provide and legally open, at no cost to the City, property free and clear of all encumbrances, required for the extension of the Scotia Street right-of-way to a width of 18.0 m from its existing terminus at the south limit of the Planned Area to Ridgecrest Avenue." The final Scotia Street alignment will be established to the west of Parcels C, H, & N, Plan 52275 shown as "Proposed Opening" on Misc. Plan No. 14408/2.

As Geal Investments Ltd. and Gerald Doull MacDonald originally dedicated Parcels C, H, & N, Plan 52275, at no cost, to the City in DASZ 22/2010, and River Ridge 2 Facility Inc. subsequently dedicated land for the new alignment westerly of the Scotia Street extension in DASZ 13/2012 at no cost to the City, the Department recommends that the "Subject City Property – Parcels C, H, & N, Plan 52275" that was originally transferred to the City, be sold to River Ridge Facility Inc. for \$1.00.

Mr. Michael Fraser is the sole director of River Ridge 2 Facility Inc.

The Ward Councillor was consulted and concurs with the intentions of the Department.
