PROJECT DESCRIPTION – CITY OF WINNIPEG – COMMUNITY INCENTIVE GRANT PROGRAM APPLICATION

The Chai Folk Arts Council Inc. is the governing body of the Sarah Sommer Chai Folk Ensemble (Chai) and is a not for profit charitable organization #118849058RR0001.

Chai is a community based organization which celebrates cultural diversity through public stage performances of song and dance throughout the world, while providing opportunity for volunteerism, education and leadership in a culturally rich environment here at home in Winnipeg.

Chai started in 1964 with only 8 dancers and has grown to be North America's oldest and largest Israeli folk ensemble with 40 dancers, singers and musicians. As we enter our 50th year, we have planned events and concerts which will acknowledge and celebrate the organization's accomplishments and contribution to the arts community, raise the group's visibility and publicly thank everyone for the last 50 years. We will rejuvenate the bond with the past performers, directors and audiences while at the same time engaging new audience members, performers and potential partners.

We are seeking funding for the creation of costuming for 4 new sections of music and dance in honour of Chai's 50th anniversary year. The total budget is $33,500 for design, fabric and sewing for the cast and alumni who will be on stage.

One is a brand new traditional 'Hora' finale especially designed for this concert. It tells the classic story of 'something from nothing' and relates to Chai's 50 years of abundance that started with small seeds and the dream of the late Sarah Sommer in her basement. The costume is designed to look like an abstract prayer shawl and an original ethereal style dress indicative of Biblical times, while keeping the classic Israeli look our audiences around the world are used to seeing.

Kalat Yemen is the story of a Yemenite bride and is a raw organic depiction of ancient ritual carried out as a bride leaves her mother's arms towards her groom. The costumes are essential to the authenticity of this piece. For over

50 years, we have aspired to reach the artistic level of this kind of depth of truth in ancient inspired choreography. Every Yemenite piece we have done until now, has been preparation for this magical moment in our ensemble's history.

A contemporary Israeli piece, 'Voice of the Wheel (Mishaela Mizmor Laylah), is a modern look at an ancient country in song dance and the costume is imperative for this new work. Popular Israeli musical motifs have found there way into ancient Middle Eastern modes, and so too have the costumes, so brilliantly in their design.

Adamah Vashamayim - "The Land and Sea" - and the common themes of the Aboriginal and Hebrew people. Both see the world, land, water and air - to be treated with utmost respect and admiration. As two nations come together in Hebrew song with Aboriginal inspired steps, the costume must appropriately unite them and show how powerful embracing diversity can lead humanity.
