Proposed Increase to Municipal Golf Course Fees - 2002 Season

PR-6 (Vol. 9)

1. On February 28, 2001, Council adopted golf course fees for the 2001 season. It was projected at that time that the Golf Special Operating Agency would be established prior to the 2002 season and that fees would be set in accordance with the business plan for the Agency. To date, the business plan for the Agency has not been approved.

The City of Winnipeg Municipal Golf Courses have traditionally been the lowest priced courses on a per round basis within its segment of the market. The fees proposed for 2002 will rank among the lowest in the public market and do not represent a substantial increase (5% on average) from the fees charged in 2001. It is anticipated that other courses will increase fees in 2002 thus keeping the Municipal courses as a good value in the public golf market. Using the adult regular green fee as a point of comparison, it is proposed that the fee increase from $20.00 (2001) to $21.00 (2002). Other courses in the Winnipeg market that serve the public range in fees from $22.00 to $35.00 per adult regular round (2001 rates). An increase in Municipal course regular adult fees to $21.00 is modest and retains our price point advantage.

The Golf Services Section of the Planning, Property and Development Department is presently preparing a business plan and operating charter that, when approved by Council, will have the golf service operate as a Special Operating Agency (SOA). When this occurs, the agency will require flexibility in establishing fees that meet financial goals and are in keeping with market and consumer demand. The business plan for the Agency will propose Green Fees for a five-year period.

The Financial Impact Statement regarding this matter, prepared by the Planning, Property and Development Department, is on file in the office of the City Clerk.

The Standing Policy Committee on Property and Development recommends:

I. That the Parks and Recreation By-law No. 3219/82 be amended to allow for the implementation of the 2002 Municipal Golf Courses Green Fee and Miscellaneous Services schedule as proposed in Attachment A.

II. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing, including the execution of any documents related thereto.
