Dear Ms. Timmins:

ZONING AGREEMENT AMENDMENT
781 Winnipeg Ave.
Lord Selkirk-West Kildonan Community
File No. ZAA 17/02

An application has been received from the Health Sciences Centre, to amend the Zoning Agreement affecting the property shown below by adding non -accessory parking to Clause No. 2 as a permitted use.

RELATED FILES: DAV221/03D

SITE DESCRIPTION:

Dimensions:

The parcel in question is 33' wide by 100 ' in depth.

Site Area:

The overall site area totals 3300 sq. ft.

Existing Land Use and Zoning:

The lot is currently vacant and for over 10 years has been zoned C2 Commercial.

DEVELOPMENT DESCRIPTION:

The applicants propose to first amend the original Zoning Agreement DAZ 206/92 in order to make provision for non –accessory parking lots as a permitted use. If successful. They will then consolidate the subject lot with an adjoining lot that they also own at 783 Winnipeg in order to establish a temporary surface parking lot. It appears that the proposed parking area will be able to accommodate approximately 36 stalls. The original agreement allowed for primary uses including hospital and institutional uses and also allowed for accessory parking lots. An additional 12 incidental uses including drugstores, banks and offices were also permitted as incidental businesses.

ADMINISTRATIVE COMMENTS:

The Planning and Land Use Division is of the view that a parking area , temporary or otherwise, would probably be less disruptive to adjoining housing areas than many of the uses now listed as permitted. Furthermore the need for parking , particularly staff parking is critical and the HSC is apparently not quite ready to construct a new parking enclosure in the immediate area. As a result, there will be an ongoing increase in the number of applications for temporary and permanent parking sites for both the HSC and the University of Manitoba in the next several years. The Planning Division has always been supportive and sympathetic to the HSC'S need for parking as long as there was care taken to reduce impact on remaining housing still within the Hospital Precinct. The subject parking areas proposed along Winnipeg Ave. are only temporary and should not prove that disruptive to the neighbourhood.

RECOMMENDATION:

I. That Zoning Agreement DAZ 206/92(By-Law 5960/92) be amended to add non accessory parking to Clause No. 2 as a permitted use

II. That the City Solicitor be requested to prepare the necessary Amending Agreement to Zoning Agreement DAZ 206/92(BL # 5960/92) as approved in aforesaid clause 1.

III. That the Proper Officers of the City are hereby authorized to execute said Amending Agreement.

IV. That the City Solicitor be requested to do all things necessary for implementation in accordance with the terms of The City of Winnipeg Charter.

Final

C. Knoll
