RECOMMENDATIONS

1. That the time limit to provide for coming into force of rezoning By-law No. 138/2012 under File No. DASZ 13/2012 be extended to December 15, 2014.

2. That Schedule "A", as contained in the report of the Executive Policy Committee dated July 15, 2011 be replaced with Schedule "B" attached hereto.

REASON FOR THE REPORT

Council approval is required for an extension of time and to amend Council's instructions.

IMPLICATIONS OF THE RECOMMENDATIONS

The applicant will be granted a one (1) year extension of time in order to allow for the registration of the plan of subdivision and zoning agreement for DASZ 13/2011 at Winnipeg Land Titles to satisfy By-law No. 135/2011 coming into force requirements.

Replacing Schedule “A” with Schedule “B” will permit the opening of a corner cut of the public lane at the rear of the property.

HISTORY

On July 20, 2011, Council adopted Item No. 1 of the report of the Executive Policy Committee dated July 15, 2011 which recommended approval of the subject subdivision and rezoning to an "RMU” RESIDENTIAL MIXED DISTRICT as shown on Appendix A attached to allow for the construction of a mixed use commercial/residential building.

Extension of Time

Recommendation 5 contained in the report states:

> "That in the event the matter is not proceeded with expeditiously and the by-law is not passed within two (2) years after adoption of the report by Council, the matter shall be deemed to be concluded and shall not be proceeded with unless an extension of time is applied for prior to the expiry of the two (2)-year period and Council approves the extension."

On November 16, 2011 By-Law No. 135/2011 was enacted by the passage of City Council. Section 3 of the By-law states:

> **Coming into force**
>
> “3 a) Section 1 comes into force when the plan of subdivision is registered in the Winnipeg Land Titles Office.
>
> b) Section 2 comes into force when the plan of subdivision is registered in the Winnipeg Land Titles Office and Zoning Agreement DASZ 10/2011 is registered in the Winnipeg Land Titles Office by caveat against the subject land, all within one year from the date this By-law is passed, failing which this By-law expires unless that date is extended by resolution of City Council and the plan of subdivision and caveat are registered before such extended date”.

By-law No. 135/2011 has not come into force by the registration of the Plan of Subdivision and the registration of Zoning Agreement DASZ 10/2011 by caveat, due to delays related to amending the plan of subdivision to accommodate the public lane corner cut shown on Schedule “B”.

The Winnipeg Public Service has reviewed the need for the extension of time and is of the opinion that approval of the subject extension of time is acceptable, and circumstances leading to the original approval remain unchanged.

Replace Schedule “A” with Schedule “B”

Schedule “A” contained in the report of the Executive Policy Committee dated July 15, 2011 failed to acknowledge the need to provide a corner cut at the public lane at the rear of the

property as shown in Appendix B. The applicant has been consulted on this matter and concurs with providing the corner cut.

It is therefore recommended that Schedule “A”, as contained in the report of the Executive Policy Committee dated July 15, 2011 be replaced with Schedule “B” attached hereto.

FINANCIAL IMPACT

There is no financial impact associated with this recommendation.
