Winnipeg, MB R3X 0G8

Dear Mr. Vogan:

I am writing to you to provide a summary of relevant School Board decisions and Divisional agreements about Sage Creek School sites over the past few years.

On September 18, 2012 the chair of the Louis Riel School Board wrote you a letter confirming the Louis Riel School Board's agreement to the proposed school site amendments provided by Qualico Developments (Winnipeg) Ltd. Dated July 2012. These plans outlined the following:

- a move from three smaller school sites in Sage Creek down to two larger school sites
- expansion of the school site at the corner of Edward Turner Drive and Sage Creek Blvd and to 5.44 acres
- relocation of the second school site from Robert Bockstael Drive and Warde Avenue (west of the Hydro Corridor) to a location at Boulevard Des Hivernants and Warde Avenue (east of the Hydro Corridor)

In addition, on April 18, 2013 the Louis Riel School Division formally exercised its option to purchase the 5.44 acre site at Edward Turner Drive and Sage Creek Blvd. The purchase transaction closed on July 17, 2013.

I hope this letter serves as a confirmation of the communications and agreements between Qualico Developments (Winnipeg) Ltd. and the Louis Riel School Division.

Sincerley,

Brad Fulton, C.A.
Secretary-Treasurer
