RECOMMENDATIONS

1. That the proposed amendments to the lease agreement between the City and Garden Grove Child Care Program Inc. be approved in accordance with the proposed terms and conditions attached on Schedule A.

2. That the City enter into an amending agreement and such other agreements as determined necessary by the City Solicitor/Director of Legal Services to implement the intent of the foregoing.

3. That the authority be delegated to the Director of Planning, Property and Development to negotiate and approve the final terms and conditions of the amending agreement and such other agreements as determined necessary by the City Solicitor/Director of Legal Services, in accordance with the terms and conditions set forth in Schedule "A" and such other terms and conditions deemed necessary by the City Solicitor/Director of Legal Services to protect the interests of the City.

4. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

REASON FOR THE REPORT

In accordance with the Council Order of July 18, 1979, the Standing Policy Committee on Property and Development shall authorize the leasing or rental of City property for which the Director of Planning, Property and Development has no authority. In this regard, the Department has negotiated the proposed terms and conditions for amendments to the lease

agreement with Garden Grove Child Care Program Inc. (the "Daycare") at 2370 Burrows Avenue. This report seeks the approval of the lease as negotiated.

IMPLICATIONS OF THE RECOMMENDATIONS

The Department has determined that there is no general, policy, regulatory, environmental, human resource or financial implications to the lease of this land as outlined in the attached Schedule "A".

The proposed amending agreement will increase the "Lease Area" as outlined on Misc. Plan. No.14045/6 from +/-1,573.55 m^2 to +/-2,686.0 m^2. The property increase since the last request is a reflection of the programming requirements for the new Daycare to meet Manitoba Early Learning and Child Care guidelines for licensing a new facility. Upon the second review by the Manitoba Family Services Capital Projects Coordinator, Paulette Monita, it was noted that the original drawings would not meet licensing standards and revisions were required. MCM Architects Inc. (the firm hired by the proponent), the Manitoba Family Services Capital Projects Coordinator and the Daycare Executive Director collaborated to ensure all regulations would be covered in the revised drawings. This new/renovated building will provide a functional daycare that meets provincial regulations and is of a size that will provide additional daycare spaces to meet the increasing demand in the neighbourhood.

In addition, the proposed amending agreement incorporates an amendment to Clause 13 to allow the Daycare to charge a low rent for parking stalls to help recover some of the maintenance costs associated with the parking lot. The maintenance costs were originally supposed to be split with the Tyndall Park Community Center (the "TPCC"). However, the TPCC has stated that they want no responsibility for the lot thus placing the entire burden onto the Daycare.

Next, Clause 22 will be amended to remove the portion of the clause that states "that it is a condition precedent to entering into this lease agreement that the Tenant come to a written agreement with the Tyndall Park Community Centre directly to share the cost of maintenance and snow removal of the parking lot." TPCC has stated that it does not want to bear any responsibility for the lot.

Finally, a clause will be added to include additional insurance requirements that are required to be in place during the construction of the proposed addition/renovation to the existing building. These insurance requirements were inadvertently omitted in the original set of terms and conditions approved by Council.

The Corporate Finance Department (Risk Management Branch) reviewed the insurance requirements for this proposed occupancy and their comments have been incorporated into the terms and conditions.

HISTORY

In 1981, the Daycare opened in the Garden Grove School located at 2340 Burrows Avenue.

In January of 2011, the Daycare expressed an interest in leasing the vacant former TPCC satellite building at this adjacent site located at 2370 Burrows Avenue, as referenced on the attached Misc. Plan No. 14045/6, with the intention of renovating and expanding the building to provide 40 additional child care spaces.

On March 11, 2011, the TPCC Board of Directors passed a motion to formally divest the TPCC of the building located at 2370 Burrows Avenue and requested transfer of the operation of the building to the City. The removal of the TPCC satellite site from the Community Centre Inventory would allow for the City property to be able to be considered for lease by the group.

At its meeting held on June 22, 2011, Council concurred in the recommendation of the Executive Policy Committee to remove the TPCC satellite site located at 2370 Burrows Avenue from the Community Centre Inventory.

The Planning, Property and Development Department negotiated proposed terms and conditions for a Lease Agreement in favour of the Daycare for use as a day care centre, which was approved by Council on September 27, 2012.

In September of 2013, the Daycare contacted the City and requested an increase in lease area, based on the recommendation of their architects, to provide the required space for the site and building design.

Three other amendments have been requested and included in the proposed amending terms and conditions.

The first allows the Daycare to charge a low rent for parking stalls to help recover some of the maintenance costs associated with the parking lot. This cost was originally supposed to be split with the TPCC.

The second removes a portion of a clause which states that “it is a condition precedent to entering into this lease agreement that the Tenant come to a written agreement with the Tyndall Park Community Centre directly to share the cost of maintenance and snow removal of the parking lot.” This has been removed as TPCC has stated in writing that they do not want any responsibility for the site or its maintenance.

The third includes additional insurance requirements that are required to be in place during the construction of the proposed addition/renovation to the existing building. These insurance requirements were inadvertently omitted in the original set of terms and conditions approved by Council.

The Ward Councillor has been consulted and is supportive of the lease with the Daycare.

The proposed amendments to the lease agreement with the Daycare are recommended for approval in accordance with the proposed terms and conditions as outlined herein.
