File DASZ 4/2013 (By-law No. 52/2014)

From the Acting Director of Legal Services and City Solicitor,

Submitting draft a by-law to amend the 2014 School Division Special Levies By-law No. 37/2014, which was enacted by Council on March 26, 2014.

This amendment is necessitated by a revision made by the Provincial Municipal Assessor with respect to the Total School Assessment for that portion of the River East-Transcona and Interlake school divisions that lies within the Rural Municipalities of St. Clements and Rosser, respectively. Consequently, the levy requirements reported by the River East-Transcona and Interlake school divisions to the City, and upon which their mill rates imposed by Council on March 26 was based, now requires a corresponding revision. These revisions will result in slightly lower mill rates for both school divisions compared to what was set out in the by-law enacted on March 26.

The City is required by section 188 of The Public Schools Act to fix and impose a tax sufficient to raise the amount that is apportioned to the City under the statement provided by the school board of each school division. Accordingly, I believe that this can be appropriately brought to Council's attention as a communication. (By-law No. 58/2014)

From the Acting Director of Legal Services and City Solicitor,

Submitting as instructed by Council on September 25, 2013, draft by-law to amend Winnipeg Zoning By-law No. 200/2006 to rezone land located at 90 Bole Street, in the City Centre Community, which by-law may receive all three readings.
