IMPLICATIONS OF THE RECOMMENDATIONS

MPI will fund the Winnipeg Police Service (WPS) officers required to establish the 2013 School Zone Safety Enforcement Program. No cost will be incurred by the WPS for this program.

HISTORY

In 2009 MPI, in consultation with Manitoba Law Enforcement agencies established the "Manitoba Awareness and Enforcement Integrated Calendar." This calendar, among other things identifies key enforcement/education campaigns throughout the year. In some instances MPI funds enforcement activities that support these campaigns.

An Agreement has been drafted to address the respective obligations of MPI and WPS for the 2013 School Zone Safety Enforcement Program.

The term of this agreement commenced on September 16, 2013 and concluded on September 27, 2013. During the term of the Agreement, the WPS assigned 4 off duty traffic enforcement members to the project each day. These members were assigned from 08:00 to 14:00 hrs for a total of 6 hours each. Each assigned member conducted enforcement at a minimum of 2 schools per day.

Members concentrated their efforts on safety related offences. These included but were not limited to Speeding, Distracted Driving, Disobey Traffic Control Device and Passing Stopped School Bus.

As a result of the project, 63 schools were targeted with a total of 470 Provincial Offence Notices being issued.

As addressed in the Agreement, no cost of the initiative will be incurred by the Service.
