We are raising funds for a new stage & related equipment. This is required for various community events, including folklorama, vaisakhi, cultural events, musical presentations, fashion shows & other related events. These events are both Punjabi events & by other communities (Christ Revilation The societies are required to purchase a segmented, raised stage that can support various configurations. These are very expensive to rent. We are ordering the equipment for stage + lighting, backdrop etc direct from China to save some expenses. It takes 2 months to deliver.
