RECOMMENDATIONS

1. That Schedule 6 of the *City of Winnipeg Traffic By-law No. 1573/77* be amended by striking out clause A(14) (draft By-law attached as Appendix 'A').
2. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

REASON FOR THE REPORT

The recommendation of the Winnipeg Public Service requires a By-law amendment and must be approved by Council.

IMPLICATIONS OF THE RECOMMENDATIONS

The St. James Street Crossing of Omand's Creek will now be capable of carrying legal gross vehicle weights pursuant to the *Vehicle Weights and Dimensions on Classes of Highways Regulation* (MR 575/88), subject to Section 45 of the City of Winnipeg *Traffic By-law No. 1573/77.*

HISTORY

Prior to the St. James Street Crossing of Omand's Creek Bridge reconstruction project, the St. James Street Crossing of Omand's Creek had a 36,500 kg gross vehicle weight restriction. This restriction is currently listed under clause A(14) of Schedule 6 of the *City of Winnipeg Traffic By-law No. 1573/77.*

The St. James Street Crossing of Omand's Creek Bridge reconstruction project was substantially completed and opened to traffic in April 2014. The 36,500 kg gross vehicle weight limit is no longer required with the reconstruction completed.

The St. James Street Crossing of Omand's Creek Bridge reconstruction project meets a design standard that is consistent with current bridge design codes and will increase the permissible gross vehicle weight to encompass all legal weights pursuant to the *Vehicle Weights and Dimensions on Classes of Highways Regulation* (MR 575/88), subject to Section 45 of the *City of Winnipeg Traffic By-law No. 1573/77.* As such, it will not be necessary to have a weight restriction on the St. James Street Crossing of Omand's Creek.

In consideration of the foregoing, the Winnipeg Public Service recommends that Schedule 6 of the *City of Winnipeg Traffic By-law No. 1573/77* be amended by striking out clause A(14). A draft By-law amendment is attached in Appendix ‘A’: Draft By-law Amendment.
