RECOMMENDATIONS

That Community Committee recommend to the Standing Policy Committee on Property and Development that it recommend to Council that the time limit to provide for the coming into force of the rezoning By-law No.104/2013 under File No. DAZ 224/2011 be extended to September 25, 2015.

REASON FOR THE REPORT

Council approval is required for an extension of time.

IMPLICATIONS OF THE RECOMMENDATIONS

The applicant, Mr. Raymond Wan, Architect , on behalf of the owner, The Mennonite Brethren Church of Manitoba, will be allowed a one (1) year extension in order to allow for registration of the Zoning & Servicing Agreements at the Winnipeg Land Titles Office, thus facilitating the coming into force of rezoning By-law 104/2013 under DAZ 224/2011.

HISTORY

On February 22, 2012, Council adopted Item No. 2 of the report of the Standing Policy Committee on Property and Development dated February 14, 2012 which clause recommended approval of the subject rezoning to a "RMU" RESIDENTIAL MIXED USE DISTRICT as shown on Appendix "A" attached to allow for the construction of 180 units of 55 plus multi-family housing on the existing church site.

Recommendation 4 contained in the said report stipulates:

> "That in the event the application is not proceeded with expeditiously and the by-law is not enacted within twenty-four (24) months after adoption of the report by Council, the matter shall be deemed to be concluded and shall not be proceeded with unless an extension of time is applied for prior to the expiry of this twenty-four (24) month period and the extension is subsequently approved by Council."

On September 25, 2013, By-law No. 104/2013 was enacted by the passage of City Council. Section 2 of the By-law stipulates:

“Section 1 comes into force when:

(a) The City of Winnipeg has executed the Development Agreement for Servicing, which execution notwithstanding passage of this By-law shall remain in the absolute discretion of City Council; and
(b) Zoning Agreement DAZ 224/2011 is registered in the Winnipeg Land Titles Office by caveat against the subject land within one year from the date this By-law is passed, failing which this By-law expires unless that date is extended by resolution of City Council and the caveat is registered before such extended date.”

By-law No.104/2013 has not come into force by the registration of the Zoning Agreement caveat and the execution by the City of the Servicing Agreement and the time limit for such registrations is approaching with a current expiry date of September 25, 2014.

The applicant, Raymond Wan, Architect, 50 Willow Avenue, Winnipeg, Manitoba, R3N 0G8, on behalf of the owner, The Mennonite Brethren Church of Manitoba, is requesting a one year extension of time in order to complete the Servicing Agreement and necessary registration of caveats, see attached Appendix “B”.

The Winnipeg Public Service has reviewed the request for the extension of time and is of the opinion that approval of the subject extension of time would be acceptable and circumstances leading to the original approval remain unchanged.

FINANCIAL IMPACT

There is no financial impact associated with this recommendation.
