Report – Executive Policy Committee – July 16, 2014

DECISION MAKING HISTORY:

Moved by His Worship Mayor Katz,

That the recommendation of the Executive Policy Committee be adopted.

Carried

EXECUTIVE POLICY COMMITTEE RECOMMENDATION:

On July 16, 2014, the Executive Policy Committee passed the following resolution:

WHEREAS the Province of Manitoba has recently amended *The Highway Traffic Act* to permit municipalities to create reduced-speed school zones;

AND WHEREAS Council at its meeting on June 25, 2014 enacted the Reduced-Speed School Zones By-law 76/2014, which included a Schedule identifying schools and the areas of streets around schools in which reduced-speed school zones were imposed;

AND WHEREAS the *Reduced-Speed School Zone Regulation*, Manitoba Regulation136/2013 requires that warning signs be placed at specified distances before the reduced-speed school zone, which has limited the number of reduced-speed school zones that can be created within the City of Winnipeg;

AND WHEREAS the Province of Manitoba has indicated its willingness to consider changes to the requirements concerning warning signs and other requirements in the *Reduced-Speed School Zone Regulation*, Manitoba Regulation136/2013 that would have the effect of increasing the number of reduced-speed school zones that can be created within the City of Winnipeg;

AND WHEREAS Chief Peguis School, Faith Academy Middle School and Arthur A Leach School should have been placed on the schedule which identifies schools and the areas of streets around schools in which reduced-speed school zones are imposed, but were omitted through inadvertence or due to the fact that they had only recently included Grade Six students in their schools;

THEREFORE BE IT RESOLVED:

1. That the following three schools be added to the Schedule of schools listed in the reduced Speed School Zones By-law:
   (a) Chief Peguis School, 1400 Rothesay Street
   (b) Faith Academy Middle School, 600 Jefferson Avenue
   (c) Arthur A. Leach School, 1827 Chancellor Drive

   and that Council enact the attached By-law to amend the Reduced-Speed Schools Zones By-law to accomplish this.
