Report – Standing Policy Committee on Property and Development – July 8, 2014

DECISION MAKING HISTORY: (continued)

COMMUNITY COMMITTEE RECOMMENDATION: (continued)

AND WHEREAS the terms of the Development Agreements included a requirement for the Developers to construct Portland cement concrete pavements in Ravelston Avenue, east of Peguis Street and Peguis Street adjacent to their respective subdivisions and off-site extensions as appropriate;

AND WHEREAS on March 26, 2014, the Developers, via their Engineering Consultant, requested the City to consider the use of asphalt pavement as an alternative to Portland cement concrete pavement for the major roadways in the Transcona West area;

AND WHEREAS on May 26, 2014, after detailed review and analysis, the City has agreed to allow the Developers to use asphalt pavement as an alternative to Portland cement concrete pavement in Ravelston Avenue, east of Peguis Street and Peguis Street;

THEREFORE BE IT RESOLVED THAT the terms of the above-noted Development Agreements be amended to allow the use of asphalt pavement as an alternative to Portland cement concrete pavement in Ravelston Avenue/Transcona Boulevard, east of Peguis Street and Peguis Street, all to the satisfaction of the Director of Public Works;

and forwarded to the Standing Policy Committee on Property and Development.
