Our new facilities will be truly a state-of-the-art building designed and created to be a magnificent source of inspiration and hope for not only the Catholic community of Whyte Ridge, Lindenwoods, Linden Ridge and Bridgewater Forest, but for all who live in these neighbourhoods.

The primary gathering space will seat over 500 people and will therefore be one of the larger venues in the suburbs of southwest Winnipeg. It is our genuine hope that organizations, schools and local associations will feel welcome to use our new facilities for various events. It is our genuine hope that we can be a place of welcome and hospitality to all we call neighbour.

In light of the community potential of our new facility, I am writing to you today to request any financial assistance by way of grant or gift that would support us in making our new facility complete.

I would be most grateful if this grant request of $67,000.00 could be awarded to us, completing a much needed part of this overall project and enabling us to be a place of great benefit for the people of South West Winnipeg.
