REASON FOR THE REPORT

To provide Public Service review and recommendations with respect to the 2013 - 2015 General Council of Winnipeg Community Centres' Business Plan. (Appendix A).

IMPLICATIONS OF THE RECOMMENDATIONS

The General Council of Winnipeg Community Centres' (GCWCC) 2013 - 2015 Business Plan reviews the history of the organization to provide context to the direction identified in the plan. It describes the initiatives and programs the organization has started or will be embarking on in the next three years and provides status reports on capital projects at Community Centres that have been initiated in the past few years.

The General Council of Winnipeg Community Centres receives the following grants from the City of Winnipeg:

- Operating Grant - $216,491
- Programming Grant - $470,000
- Program Registration Fee Subsidy Program - $85,750
- Community Centre Janitorial Program – $300,000

The Public Service requires GCWCC to use the attached Business Plan Template (Appendix B), in order that pertinent details and financial accountability be included in all future Business Plan submissions.

Key initiatives requiring continued support and consultation between the City of Winnipeg and GCWCC include:

- **Plan 2025** - The purpose of Plan 2025 (2005-2025) is to provide a 20-year Policy for the future direction of the Community Centre movement in the City of Winnipeg.

- **Recreation, Leisure and Libraries Facilities Policy (RLALF)** - The Recreation, Leisure and Libraries Facilities Policy identified a stronger leadership role for the GCWCC to strengthen and optimize the community centre model in the City of Winnipeg.

- **Management Agreement** - On April 14th, 2008, GCWCC entered in to a Management Agreement with the City of Winnipeg. This agreement outlines the responsibilities of the GCWCC and the City of Winnipeg as relates to City of Winnipeg Community Centres. GCWCC continues to work in partnership with the City of Winnipeg's Community Services Department to facilitate the implementation of policies and operating procedures that assist community centres in their day-to-day operations. The Management Agreement expired in 2013 and consultation between GCWCC and the City to develop an agreement that addresses the challenges and opportunities facing Community Centres is underway.

- **Community Centre Boundary Review** – GCWCC will begin a review of all community centre boundaries in light of changes to facilities (closure, mergers, and expansions) and population growth.

The City of Winnipeg and GCWCC have a very strong partnership and are committed to working together to achieve the outcomes in the Business Plan.

HISTORY

- The General Council of Winnipeg Community Centres (GCWCC) was established in 1971 to promote and encourage cooperation and communication among the community centres and City administration; to provide a central council for the exchange of ideas and consider solutions to common problems.

- The Universal Funding Formula (UFF) was adopted by Council in 1993 to address many discrepancies and inequities that existed as a result of Unicity. Today, all centres receive funding based on heated square footage, population base and number of outdoor rinks.

- Further to the adoption of the Recreation, Leisure and Libraries Facilities Policy in May of 2005, the roles and responsibilities of GCWCC were significantly increased. The Policy included an increase of $150,000 to GCWCC's annual operating grant. The annual operating grant is $216,491 and is included within the 2013 - 2015 tax-supported budget and grant to GCWCC. GCWCC was requested to submit an annual 3-year business plan to support this increase.

- On April 14th, 2008, GCWCC entered in to a Management Agreement with the City of Winnipeg. This agreement outlines the responsibilities of the GCWCC and the City of Winnipeg as related to the City of Winnipeg Community Centres. GCWCC continues to work in partnership with the City of Winnipeg's Community Services Department to facilitate the implementation of policies and operating procedures that assist Community Centres in their day-to-day operations.

- On May 27, 2009 Council adopted Plan 2025, a 20-year Policy for the future direction of the Community Centre movement in the City of Winnipeg.
