Addendum – Council – September 24, 2014

COMMUNICATIONS

From the Chief Financial Officer, Office of the Chief Administrative Officer,
Submitting communication dated September 10, 2014, regarding the Community Trends and Performance Report – Volume 1.

From the Acting Chief Administrative Officer, Office of the Chief Administrative Officer,
Submitting communication dated September 18, 2014, advising that a service sharing agreement with the Rural Municipality of St. Andrews that will allow wastewater from the Rural Municipality to be treated at the City's North End sewage treatment plant that is being drafted per the terms and conditions approved by Council on December 12, 2012. This service sharing agreement pertains exclusively to the boundary of the City and the neighbouring municipality.

The City of Winnipeg will provide sewer services to the boundary of the City and the neighbouring municipality.

Further advising that in keeping with the City's service sharing agreements with other rural municipalities, an agreement with the RM of St. Andrews will assist with the growth of the Capital Region in a way that is environmentally and economically sustainable.

The Service-Sharing Agreements with Neighbouring Municipalities report approved by Council on December 12, 2012 included the recommendation that the CAO be authorized to negotiate and approve service-sharing agreements for the provision of sewer services in accordance with the Terms and such other terms and conditions deemed necessary by the Chief Administrative Officer and the City Solicitor to protect the interests of the City.

A non-binding MOU with the RM of St. Andrews is being drafted by Legal Services that incorporates the City's service sharing policy and terms and conditions approved by Council in 2012 (Schedule "A" attached). This will allow for negotiations to continue in good faith until the new Mayor and Council are installed in November 2014.

Subsequently, the final service sharing agreement will be brought forward to Council for information and approval.
