REPORTS

Item No. 19 Web-based Central System for Scheduling of Community Centre Volunteers

EXECUTIVE POLICY COMMITTEE RECOMMENDATION:

The Executive Policy Committee directed the Winnipeg Public Service to consult with the General Council of Winnipeg Community Centres to explore the costs and feasibility of creating a web-based solution that will provide all the coordination tools to bring volunteers into a central system that makes scheduling and communicating with volunteers easier, and report back to the appropriate Committee of Council in 180 days.

DECISION MAKING HISTORY:

The Chairperson called Deputy Mayor Pagtakhan to the Chair in order to move the following motion:

Moved by His Worship Mayor Bowman,

WHEREAS community centres are essential to creating safer, stronger neighbourhoods;

AND WHEREAS community centres play a central role in shaping our youth's future and bringing neighbours together;

AND WHEREAS community centres need improved collaboration and engagement between community centres across the city through the better use of technology to support volunteers;

AND WHEREAS the volunteers who work tirelessly to keep community centres up and running need more help from the City of Winnipeg;

THEREFORE BE IT RESOLVED that the Winnipeg Public Service consult with the General Council of Winnipeg Community Centres to explore the costs and feasibility of creating a web based solution that will provide all the coordination tools to bring volunteers into a central system that makes scheduling and communicating with volunteers easier;

BE IT FURTHER RESOLVED that the Winnipeg Public Service report back to the appropriate Committee of Council in 180 days.

Carried

His Worship Mayor Bowman resumed the Chair.
