REASON FOR THE REPORT

- The applicant is proposing to rezone and consolidate Lots 1 and 2 of Block 2, Plan 5440 with the PR2 lands to the northeast.
- Subdivisions and rezonings require a Public Hearing as per the *Development Procedures By-law* and *The City of Winnipeg Charter.*
- The Report is being submitted for the Committee's consideration of the development application at the Public Hearing.

IMPLICATIONS OF THE RECOMMENDATIONS

- If the recommendations of the Urban Planning Division are concurred in, the subject site will be consolidated and rezoned consistent with the map provided in Schedule "A" of this report.

HISTORY

- **DASZ 42/1987** on August 2, 1989 Canterbury Park was approved in principle by Council. The subdivision plan provides for approximately 1300 single family lots, two school sites and 26 acres of park land covering 238 acres of land.
- **DASZ 27/05** on July 26, 2006 Council approved a rezoning and subdivision of four (4) lots into fifty (55) single family lots. George Reshaur Bay & Edmund Gale. The applicant is proposing to develop fifty-five (55) single family residential lots fronting Edmund Gale and George Reshaur Bay as part of Canterbury Park. A new 11.84 acre park on the north side of Edmund Gale will be developed.
- **ZAA 05/2010** on June 23, 2010 Council approved an amendment to the Zoning Agreement restricting lot depths and rear yard setbacks along Pandora Avenue.
- **Plan Approval – Pandora Walkway Site Plan - Canterbury Park (West of Ravenhurst, North of Pandora Avenue)** on July 27, 2010 as per the May 25, 2010 - Amendment to Development Agreement AG 42/87 – Public Walkways/Openings to Pandora Avenue East –Canterbury Park, the site plan of the landscaping for the multi-use active transportation corridor along Pandora Avenue East must be submitted to the East Kildonan - Transcona Community Committee for approval. The site plans indicate that Standard City Concrete Sidewalks of 5 feet (1.5 metre) wide will lead from the Pandora Avenue Active Transportation Path into Harlow, Hiley and Ed Golding Bays within Canterbury Park.
- **BY-LAW NO. 127/2010** on December 15, 2010 Council approved a By-law of The City Of Winnipeg to approve a plan of subdivision and amend Winnipeg Zoning Bylaw No. 200/2006 to rezone lands located north of Pandora Avenue, between Ravenhurst Street and Redonda Street (DASZ 42/1987 – Phase 10) in the East Kildonan-Transcona Community and to repeal By-Law No. 98/2010. This by-law created blocks zoned “R1-M” and open streets for the vacant land south of John Duncan Drive, west of Ravenhurst, east of Redonda and south of Ronald Houston Park in Canterbury Park.
- **DASZ 25/0211** Council approved a rezoning and subdivision application proposing to develop single family dwellings within the planned area: the developer wanted to re-align Hosfield Bay to connect on Rothshire Drive across from Edmond Gale Drive.

ANALYSIS AND ISSUES

- Under the *Complete Communities Direction Strategy* the proposed development is within the Areas of Stability – Recent Communities policy area. Key relevant policies guiding development within Areas of Stability include:
    - Support low to moderate change in low-density neighbourhoods through development and redevelopment that is complimentary to the existing scale, character and built form.
    - Promote the form of buildings and spaces that are sensitive to the community context and address the transition between new and existing developments.
    - Promote a quality public realm with a high level of accessibility to community services and amenities and opportunities for gathering and social interaction.
    - Ensure that existing public open spaces meet the neighbourhood's current and future requirements.

COMPATIBILITY WITH THE SURROUNDING NEIGHBOURHOOD

- The proposed rezoning and consolidation with adjoining parks space conforms with the context of the neighbourhood and the Complete Communities Direction Strategy.
- The subject site is part of the former Ronald Houston Park, part of which had been sold to Qualico for development and part retained as park. The final plans submitted and approved as mylars did not conform to the configuration that was anticipated and approved by Community Committee. As a result Qualico sold two parcel back to the City (for a nominal amount), which are to be dedicated as PR and added to the existing PR parcel as a widened window from the west.

PARKS COMMENTS

- The Parks Department had encouraged this application and therefore support the addition.

RECOMMENDATION

The Urban Planning Division recommends approval for the following reasons:

- The proposed development is consistent with the policies of the Complete Communities Direction Strategy by ensuring that existing public open spaces meet the neighbourhood's current and future requirements.
