DESCRIPTION OF THE PROPOSED DEVELOPMENT
As one of the terms and conditions of the sale of 1710 Grosvenor Avenue, the Purchaser is required to make application to create a separate lot or parcel as shown on the attached Misc. Plan No. 14251/03 (see Appendix 'C') to be retained by the City to accommodate the existing Transit bus turnaround.

The Purchaser is also required to make application to rezone the lot or parcel to be retained by the City to PR1 in order to be consistent with the existing zoning of adjoining City-owned property.

This application only deals with the subdivision and rezoning of the land to be retained by the City. The Purchaser's intended use for the remaining property at 1710 Grosvenor Avenue, as a day care, will require a conditional use, which is a separate public hearing at another time.

ANALYSIS AND ISSUES
The proposed subdivision and rezoning are necessary to accommodate a wider turning area for City Transit buses, which use this land are a turnaround.

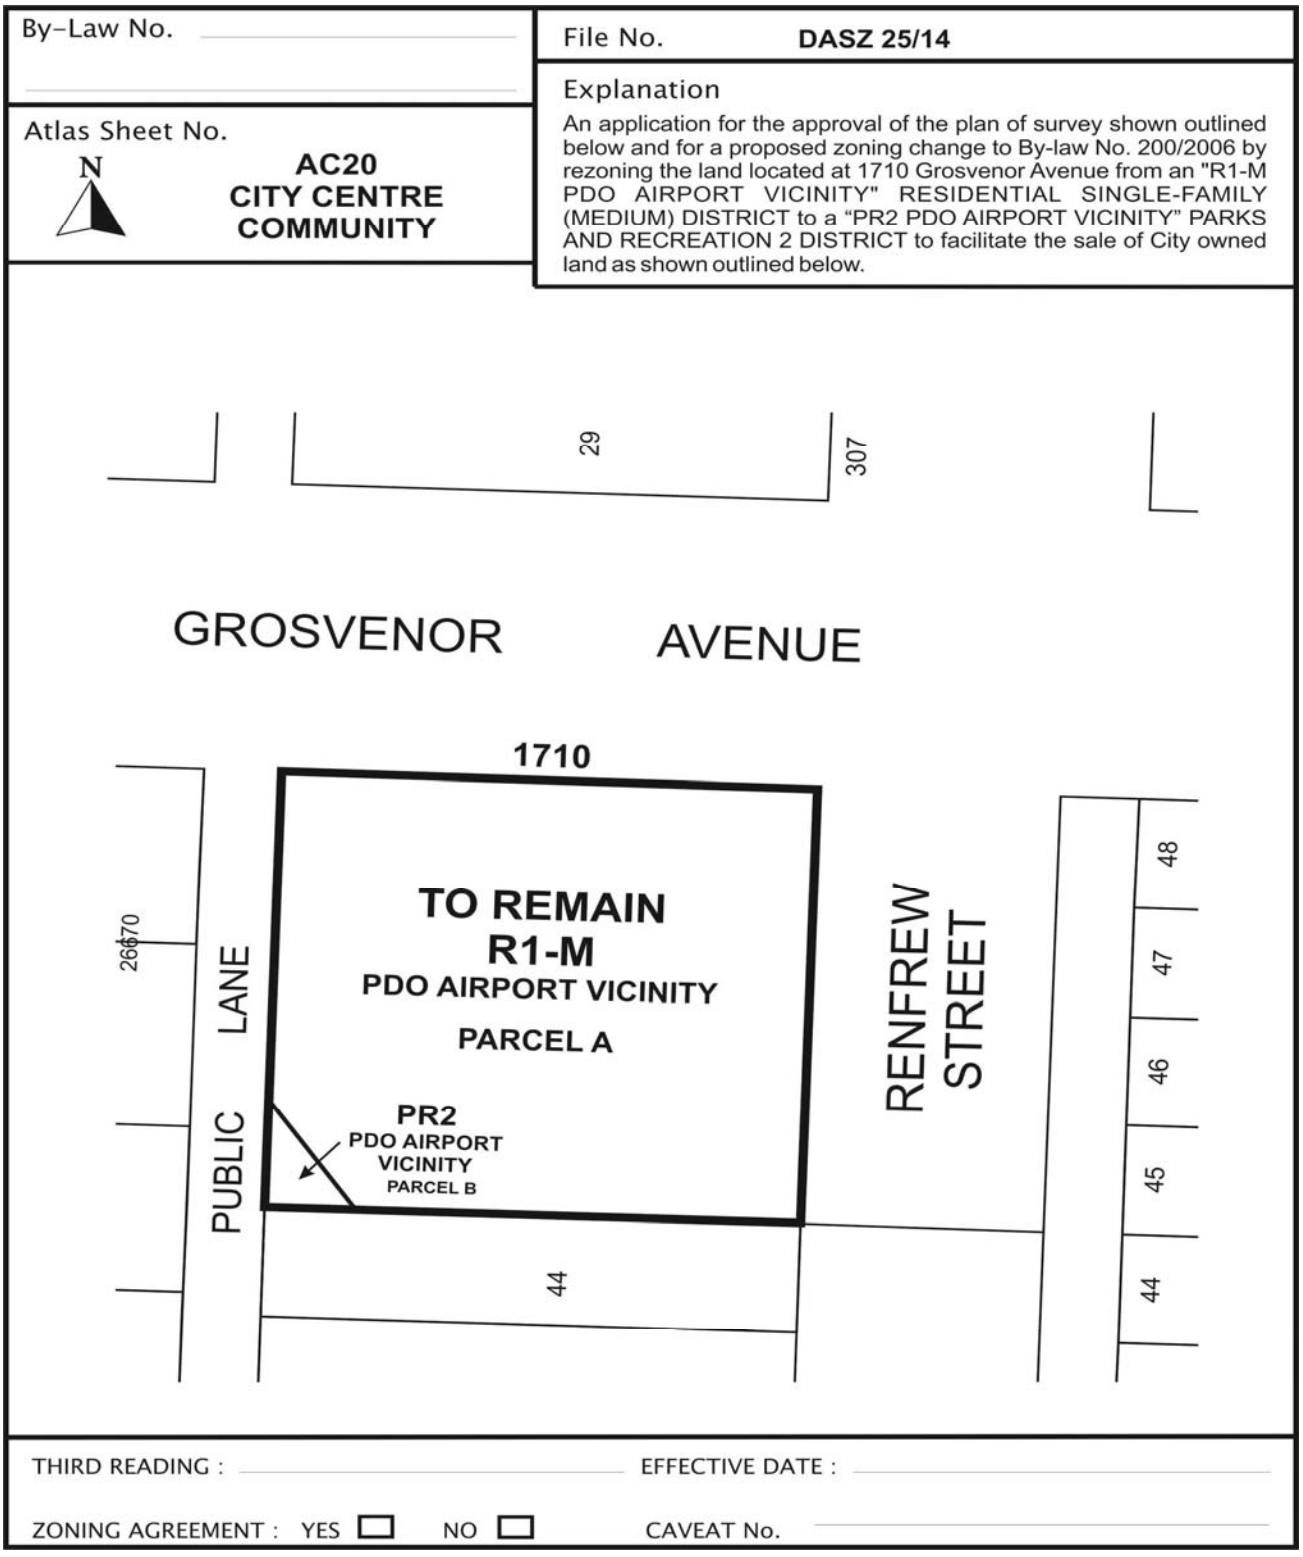

The proposed rezoning and subdivision are compatible with the area, will not have an adverse impact on adjoining properties, and are consistent with City policy.

RECOMMENDATIONS
For the above reasons, the Winnipeg Public Service recommends that this application be approved.
