RECOMMENDATIONS

That the time limit to provide for enactment of Rezoning By-law No. 74/2013 coming into force be extended to May 29, 2015.

REASON FOR THE REPORT

Council approval is required for an extension of time.

IMPLICATIONS OF THE RECOMMENDATIONS

The owner will be granted a one (1) year extension of time in order to complete the registration of the Plan of Subdivision at Winnipeg Land Titles Office.

HISTORY

On September 27, 2012 Council adopted Item No. 15 of the report of the Standing Policy Committee on Property and Development dated September 11, 2012 which recommended approval of the subject development application as shown on Appendix "A" attached.

On May 29, 2013 By-law No. 74/2013 was passed by Council and pursuant to The City of Winnipeg Charter s. 266(2)(a) the plan of subdivision needs to be registered in the Winnipeg Land Titles Office within one year of the passing of the by-law, failing which an extension of time approval is required to complete the required registration of the plan of subdivision in the Winnipeg Land Titles Office. To date the plan of subdivision has not been registered and the one year time limit has expired.

On November 5, 2014 the owner's lawyer, Mr. Richard Fulham, requested an extension of time to complete the required registrations advising that planning and investigations into land drainage design has recently just been finalized, see attached Appendix "B".

The Winnipeg Public Service have reviewed the request for the extension of time and is of the opinion that approval of the subject extension of time would be acceptable and circumstances leading to the original approval remain unchanged.

FINANCIAL IMPACT

There is no financial impact associated with this recommendation.

Dear Kim Raban:

RE: Planincic purchase from City of Winnipeg
LOT 5 Block 4 Plan 20019, Winnipeg, Manitoba
File Number: 2011-4604

DASZ 14/12

Please find included my cheque in the amount of $764.00 representing the application fee and mylars re-approval fee. Please be advised that I represent Mr. and Mrs. Planincic who are in the process of purchasing, subdividing and rezoning the aforementioned property from the City of Winnipeg.

Due to some ongoing planning and investigations into land drainage issues regarding the lot, which have just been recently finalized, the subdivision was not finalized within a year of the By Law passing.

My clients intend to go proceed with the subdivision and we ask for an extension of time to complete this matter. Please accept this letter as a request for an extension of time thereby enabling my clients to register the plan of subdivision.

Yours truly,

Fulham Law Office
