From the Acting Director of Legal Services and City Solicitor,

Submitting communication dated January 20, 2015, to advise that a by-law naming three new streets – Sturgeon Access, Sturgeon Road and Tonka Point is being submitted for all three readings. Advising that this draft by-law responds to Council's decision on December 11, 2014 (Minute No. 114). Further advising that the delay in carrying out Council's decision was caused by technical issues involving the legal descriptions of these streets and the need to obtain approval from The Property Registry. The City's Geomatics Branch prepared a new Plan to address the concerns raised by the Property Registry. Further advising that it has proven not to be possible to carry out Recommendation No. 1 of the Report of the Standing Policy Committee on Property and Development dated December 3, 2013, to name CentrePort Canada Way, due to the conclusion that only the Province has jurisdiction to do so.
