REASON FOR THE REPORT

Council approval is required for the Animal Services Agency 2015 - 2017 Business Plan and budget.

IMPLICATIONS OF THE RECOMMENDATIONS

- To sustain the Agency's essential service of animal control, it is recommended that Council approve Animal Services' mill-rate support in 2015 of $1,404,276 as a transfer from the Community Services Department. This includes funding in the amount of $500,000 for a service agreement with the Winnipeg Humane Society for the intake/sheltering of stray cats, care of injured animals and a subsidized cat spay/neutering program. The net mill-rate operational support to Animal Services is $904,276.
- These projected mill rate support transfers are included in the Community Services Department's proposed 2015 – 2017 Tax-Supported Operating Budget Submission.
- Animal Services projects a surplus of $166,762 in 2015, $137,069 in 2016, and $119,039 in 2017.
- When the Agency's deficit ($396,150 as of December 31, 2013) has been eliminated, in either 2016 or 2017 depending on actual operational results, the mill rate support transfer level will be revisited.
- Animal Services will continue with a yearly licensing campaign in an effort to boost license sales to help protect more pets and reduce the Agency's reliance on mill rate support.
- Fees and charges are expected to increase by the rate of inflation in all budget years, as provided by the City's Fees and Charges Policy.
- Cat licensing was approved by Council in 2013 to commence in 2015. This Business Plan and budget incorporates both dog and cat licensing.

HISTORY

Animal Services was designated by Council as a Special Operating Agency (SOA) effective January 1, 2000. The Agency enforces the Responsible Pet Ownership (RPO) By-law.

In the year 2000, the Agency completed 6,416 incidents and received $1,125,000 of operational mill rate support. In 2013, the Agency completed 12,162 incidents and received $904,276 of operational mill rate support. Animal Services, as a Division of Community Services and then as an SOA, has been protecting people and animals in Winnipeg for over 135 years.

The Animal Services Operating Charter stipulates that a Business Plan (Selection Report - summary of the annual business plan) will be provided to Council each year.

The mandate of the Animal Services Agency is to promote, protect and safeguard the health of the community by establishing and maintaining an urban environment which permits the city's human and animal populations to co-exist free of conditions which adversely affect the health, safety and enjoyment of the community. Animal Services Agency is responsible for the enforcement of the RPO By-law to minimize risk in the communities served.

The Agency operates successful adoption, volunteer, and foster programs. License revenues help fund the services provided, including housing stray dogs and reuniting them with their owners, attending house fires or car accidents to help in the removal of animals where needed, and providing an Adoption Program. A contingent of Animal Services Officers patrols the streets of Winnipeg to help resolve neighbourhood disputes and incidents involving animals.
