CLOSING ANNOUNCEMENTS

Minute No. 176
His Worship Mayor Bowman advised that he did not have an update on the precautionary boil water advisory at this time, but ensured Members of Council and the public that as soon as he received the information, and it is appropriate to notify the public, he would do so in a timely manner. In the meantime, he asked Winnipeggers to continue to monitor the City of Winnipeg website, the Mayor's account and City of Winnipeg account on Twitter for up-to-date information. He also asked Winnipeggers to continue to boil water before consuming and, if that is not practical, to use bottled water.

His Worship also thanked Winnipeggers for their response to last week's press conference that resulted from one article that claimed that Winnipeg may be the most racist city in Canada. His Worship commended Winnipeggers and Members of Council, in fact, all Canadians that reached out in support. He concluded by saying "let's use this opportunity to demonstrate to Canada what we are made of". He also advised that 1WINNIPEG.CA website would be launched soon and would encourage a much more positive discussion on what could collectively be done together to make our community one of the greatest in Canada.
