RECOMMENDATIONS

1. That, in compliance with the mandatory provisions of *The Public Schools Act*, Council adopts the necessary by-laws required to fix and impose taxes sufficient to meet that portion of the cost of education required to be raised through levies on assessable property within the City of Winnipeg in 2015.

2. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing, including the submission of the necessary by-laws.

REASON FOR THE REPORT

Section 184 of *The Public Schools Act* requires Council of the City of Winnipeg to fix and impose an Education Support Levy. Section 188 similarly requires the fixing and imposition of a Special Levy.

IMPLICATIONS OF THE RECOMMENDATIONS

Property owners in the City of Winnipeg are affected by increases or decreases in education related mill rates.

There is no financial impact to the City of Winnipeg organization as the establishing of the education-related mill rates is revenue-neutral to the operating budget.

HISTORY

The **Education Support Levy** represents an amount the Province of Manitoba collects for educational purposes province-wide. Each municipality in the province is required to bill, collect and remit its respective share of this total amount.

The **Special Levy** represents the various school divisions' additional requirements or portions of their costs that do not qualify for provincial assistance under the province-wide Education Support Levy. In accordance with legislation, Council is required to annually collect and remit the City's share of these two levies to the Province and the school divisions respectively.

Provincial Education Support Levy

The Provincial Education Support Levy represents an amount the Province of Manitoba collects for educational purposes province-wide. Each municipality in the province is required to bill, collect and remit its respective share of this total amount.

The Provincial levy on Residential property was eliminated in 2006.

The Provincial levy on non-residential ("Other") property is $104,260,033 representing an increase of $3,276,909 or 3.2% from 2014.

The 2015 requirement corresponds to a mill rate of 11.745 for "Other" property which is 2.2% higher than the 2014 mill rate (see Schedule "A").

Special Levy

The Special Levy represents the various school divisions' additional requirements or portions of their costs that do not qualify for provincial assistance under the province-wide Education Support Levy.

The City's eight school divisions' 2015 Special Levy requirements total **$502,560,586** an increase of **$24,298,625** or **5.1%** over their 2014 requirement. This change in Special Levy requirements ranges from a 2.7% increase in the Interlake School Division to a 7.5% increase in the Louis Riel School Division (see Schedule "A").

The change in the school divisions' Special Levy requirements, coupled with the change in their respective portioned assessment subject to this levy, has resulted in mill rate changes ranging from a 2.1% increase in the Pembina Trails and River East Transcona School Divisions to a 5.3% increase in the Louis Riel School Division (see Schedule "A").

Impact of Combined Mill Rate for Education Purposes

For 2015, the combined levies for education purposes in Winnipeg will total **$606,820,619**, which is **$27,575,534 or 4.8%** higher than in 2014 (see Schedule "A").

Based on the 2015 Operating Budget, education taxes now represent 54.6% of all property taxes collected in Winnipeg, compared to 54.5% in 2014 and 53.25% in 2013.
