RECOMMENDATIONS

That the time limit for By-law No. 128/2013 to come into force be extended to November 20, 2015.

REASON FOR THE REPORT

Council approval is required for an extension of time.

IMPLICATIONS OF THE RECOMMENDATIONS

The owner will be granted a one (1) year extension of time in order to complete the registration of the Plan of Subdivision and Zoning Agreement DASZ 6/2013 at Winnipeg Land Titles Office.

HISTORY

On June 26, 2013 Council adopted Item No. 1 of the report of the Standing Policy Committee on Property and Development dated June 11, 2013 which recommended approval of the subject development application as shown on Appendix "A" attached.

On November 20, 2013, By-law No. 128/2013 was passed by Council. Section 3 of the By-law stipulates:

Coming into force

> "3(1) Section 1 comes into force when The City of Winnipeg executes the Development Agreement for Servicing referred to in that section, which execution notwithstanding passage of this By-law shall remain in the absolute discretion of City Council.
>
> (2) Section 2 comes into force when the plan of subdivision is registered in the Winnipeg Land Titles Office and Zoning Agreement DASZ 6/2013 is registered in the Winnipeg Land Titles Office by caveat against the subject land, all within one year from the date this By-law is passed, failing which this By-law expires unless that date is extended by resolution of City Council and the plan of subdivision and caveat are registered before such extended date."

The City of Winnipeg and Developer have executed the required Development Agreement for Servicing, however; By-law No. 128/2013 has not come into force by the required registration of the Plan of Subdivision and the registration of Zoning Agreement DASZ 6/2013 by caveat; the one year time limit expired on November 20, 2014.

On January 14, 2015 the Developer's lawyer, Mr. Peter Drazic of Aikens Law, 30th floor, 360 Main Street, Winnipeg, Manitoba, requested an extension of time to complete the required registrations, see attached Appendix "B".

The Winnipeg Public Service have reviewed the request for the extension of time and is of the opinion that approval of the subject extension of time would be acceptable and circumstances leading to the original approval remain unchanged.

FINANCIAL IMPACT

There is no financial impact associated with this recommendation.

Attention: Mr. Greg Jasper, Acting Land Development Administrator

Dear Mr. Jasper:

Re: Extension of Time on By-Law 128/13
Extension of Time on Mylars

We are writing to you in order to apply for an extension of time on By-Law 128/13 and the attached Mylars. Original registration regrettably did not occur within the allowable time limit as there were multiple disputes between the City of Winnipeg and the Land Titles office in respect of an Easement Agreement. The issue has now been reconciled, however in the interim By-Law 128/13 and the Mylars expired.

Our client has a pending sale and a significant amount of work that needs to be done for the development; we would appreciate your consideration and an extension of time. We enclose the extension fees of $759.00. Once granted, our clients are in a position to immediately file and complete the subdivision. We are available to answer any questions you may have and thank you in advance for your consideration.

We look forward to hearing from you.

Yours truly,

AIKINS, MACAULAY & THORVALDSON LLP
