STANDING POLICY COMMITTEE ON PROPERTY AND DEVELOPMENT

MOTIONS

Minute No. 206
Moved by Councillor Allard,
Seconded by Councillor Browaty,

WHEREAS Winnipeg is intersected by many rail lines;

AND WHEREAS in many residential areas, rail lines pass very close to people's homes;

AND WHEREAS the Federation of Canadian Municipalities published its "Guidelines for New Development in Proximity to Railway Operations" in 2013, which included extensive and detailed recommendations for setbacks, barriers, and other precautionary measures;

AND WHEREAS there may have been an increase in rail traffic carrying dangerous goods such as oil and other flammable materials passing through the City, and there is reason to believe this trend will persist;

AND WHEREAS the two year anniversary of the Lac-Mégantic disaster is approaching on July 6 2015, and the lessons learned from that tragedy must be applied to improving the safety of Winnipeggers;

AND WHEREAS a serious derailment could lead to great destruction, injury & loss of life;

THEREFORE BE IT RESOLVED THAT the Winnipeg Public Service explore how to improve safety for new development in proximity to railway operations and to report back to Council and provide recommendations within 120 days.
