Dear Mr. Joshi:

RE: ENFORCEMENT OF BY-LAWS – NO. 5160/89 AND 40/2005

The Province of Manitoba and the City of Winnipeg entered into a Memorandum of Understanding and Supplemental Agreement (attached) regarding the transition of public health inspection services from the City of Winnipeg to the Province of Manitoba on April 3, 2012. The end of the transition period is March 31, 2015.

Currently, the Province of Manitoba is enforcing both the *Food Service Establishment By-law No. 5160/89* and the *Body Modification By-law No. 40/2005* as part of regular public health inspection duties in the City of Winnipeg. In accordance with section 2.2 of the Supplemental Agreement, we are hereby providing notice that the Province of Manitoba requires authorization to enforce both the *Food Service Establishment By-law No. 5160/89* and the *Body Modification By-law No. 40/2005* beyond the end of the Transition Period, to March 31, 2020.

We would appreciate receiving written confirmation that the authorization for such enforcement provided in section 2.11 of the Memorandum of Understanding is extended to March 31, 2020 in accordance with section 2.2 of the Supplemental Agreement. If you have any questions, feel free to contact Peter Parys (peter.parys@gov.mb.ca).
