Minute No. 587
Report – Standing Policy Committee on Property and Development – June 10, 2014

Item No. 6 Approve Acquisition and Transfer of Part of Drain Plan No. 6788 WLTO per Council Approved DASZ 33/2012

COUNCIL DECISION:

Council concurred in the recommendation of the Standing Policy Committee on Property and Development and adopted the following:

1. That the Chief Administrative Officer be authorized to negotiate the acquisition and transfer of part of Drain Plan No. 6788 WLTO (DP 6788), shown hatched on attached Misc. Plan No. 14613/1, from the Province of Manitoba to the City of Winnipeg for the price of $1.00.

2. That part of DP 6788, shown hatched on attached Misc. Plan No. 14613/1, be declared surplus to the City's needs.

3. That part of DP 6788, shown hatched on attached Misc. Plan No. 14613/1, be transferred to Ladco Company Limited to be incorporated within DASZ 33/2012 - Waverley West – Southwest Neighbourhood, (Plan Area "D") for the price of $1.00.

4. That Ladco Company Limited pays all administration costs incurred by the City in acquiring part of DP 6788, shown hatched on attached Misc. Plan No. 14613/1, from the Province of Manitoba and transferring part of DP 6788 to Ladco Company Limited.

5. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

Report – Standing Policy Committee on Property and Development – June 10, 2014

DECISION MAKING HISTORY:

Moved by Councillor Browaty,

That the recommendation of the Standing Policy Committee on Property and Development be adopted by consent.

Carried

EXECUTIVE POLICY COMMITTEE RECOMMENDATION:

On June 18, 2014, the Executive Policy Committee concurred in the recommendation of the Standing Policy Committee on Property and Development and submitted the matter to Council.

STANDING COMMITTEE RECOMMENDATION:

On June 10, 2014, the Standing Policy Committee on Property and Development concurred in the recommendation of the Winnipeg Public Service and submitted the matter to the Executive Policy Committee and Council.

RECOMMENDATIONS

1. That the Chief Administrative Officer be authorized to negotiate the acquisition and transfer of part of Drain Plan No. 6788 WLTO (DP 6788), shown hatched on attached Misc. Plan No. 14613/1, from the Province of Manitoba to the City of Winnipeg for the price of $1.00.

2. Subject to approval of Recommendation No. 1, that part of DP 6788, shown hatched on attached Misc. Plan No. 14613/1, be declared surplus to the City's needs.

3. Subject to approval of Recommendation No. 2, that part of DP 6788, shown hatched on attached Misc. Plan No. 14613/1, be transferred to Ladco Company Limited to be incorporated within DASZ 33/2012 - Waverley West – Southwest Neighbourhood, (Plan Area "D") for the price of $1.00.

4. That Ladco Company Limited pays all administration costs incurred by the City in acquiring part of DP 6788, shown hatched on attached Misc. Plan No. 14613/1, from the Province of Manitoba and transferring part of DP 6788 to Ladco Company Limited.

5. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

REASON FOR THE REPORT

The Province of Manitoba cannot transfer part of DP 6788 to a private entity for a below market value price, but can transfer part of DP 6788 to the City (a Provincial Municipality) at the below market value price of $1.00.

The acquisition of part of DP 6788 is not part of a Council approved program, thus, in accordance with Council policy, the appropriate Standing Committee shall recommend acquisition programs to Council through the Executive Policy Committee. All real property acquisition programs must be approved by Council, either through the Capital Budget or via separate programs.

Council approval is required to declare the subject City-owned property surplus to the needs of the City.

Standing Policy Committee on Property and Development's approval is required for the sale (transfer) of City-owned land that does not fall under the delegated authority of the Chief Administrative Officer or the Director of Planning, Property and Development.

IMPLICATIONS OF THE RECOMMENDATIONS

There are no regulatory, environmental or human resource implications associated with this report.

HISTORY

Previously, at its November 21, 2007 meeting, Council considered and approved a report for the subdivision and rezoning under the development application file DASZ 22/2007 for the adjacent Waverley West Southeast Neighbourhood (South Pointe), which also included the need to transfer a different portion of DP 6788 from the Province to the City and then to Ladco Company Limited (the "developer"), as per approved Recommendation No. 2 B. of the aforementioned report, which read as follows:

> *"That the City will transfer part of Drain Plan No.6788 WLTO to the Developer for incorporation within the plan of subdivision subject to the Developer paying all administration costs incurred by the City in acquiring the subject Drain from the Province of Manitoba."*

On May 29, 2013, Council approved a subdivision and rezoning for the +/- 696 acre Waverley West Southwest Neighbourhood under development application file DASZ 33/2012, shown on attached Schedule "A".

The subdivision and rezoning included land that forms part of DP 6788, shown hatched and identified as "Drain Plan 6788 " on attached Schedule "B" (Misc. Plan No. 14613/1), which is controlled by the Province of Manitoba. In accordance with DASZ 33/2012 part of DP 6788 (the "drain plan") will be reconfigured and incorporated into the development's stormwater retention pond system.

The developer has obtained a letter from the Province of Manitoba Infrastructure and Transportation Department ("MIT") stating that MIT "has no concerns with the proposed subdivision subject to further discussions and agreement between the City of Winnipeg, the developer and the Province of Manitoba concerning ownership, long term maintenance and operations of the drain plan".

Upon receipt of the appropriate City approvals, similar terms and conditions will be negotiated concerning the ownership, long term maintenance and operations of the drain plan.

The developer has advised that development of this area is scheduled to begin this year and is quite anxious to resolve this matter in a timely fashion.

FINANCIAL IMPACT

Financial Impact Statement **Date:** May 15, 2014

Project Name:

Approve Acquisition and Transfer of Part of Drain Plan No. 6788 WLTO Per Council Approved DASZ 33/2012
