Dear Ms. Timmins:

**SUBDIVISION AND REZONING**
North of Amber Trails, West of Courtland Trails
Lord Selkirk – West Kildonan Community Committee
**File No. DASZ 17/03**

---

An application has been received from Genstar Development Company for approval of a plan of subdivision and related zoning change to Zoning By-Law No. 6400/94 by rezoning the subject lands from an "A-5" Agricultural District to "R1-4" Residential and "PR-1" Parks and Recreation Districts.

RELATED FILES: N/A

**SITE DESCRIPTION:**

Site Area:

The total overall site area of the subject property is approximately 11.7 acres.

Existing Land Use and Zoning:

The property in question is zoned A-5 Agricultural, and currently is vacant.

Surrounding Land Use and Zoning:

North: Vacant agricultural land, zoned A-5 (future phase of Amber Trails and out parcels), then Templeton Avenue
South: Future Amber Trails alignment, vacant agricultural land, zoned A-5 (future phase of Amber Trails).
East: Public Reserve (PR-1), then single family residential lots (R1-4)
West: Vacant agricultural land, zoned A-5 (future phase of Amber Trails).

**DEVELOPMENT DESCRIPTION:**

The applicant, Genstar Development, proposes to rezone the property to "R1-4" Residential and "PR-1" Parks and Recreation Districts, and subdivide the property. The subject site is proposed to be developed as a phase of the existing Amber Trails residential development. The subject site is approximately 11.7 acres in size, and the applicant is proposing to develop fifty single family residential lots. The remainder of the site will be occupied by road rights-of-way, and public reserve lands.

**PLAN WINNIPEG:**

The subject property falls within a designated Neighbourhood Policy Area under Plan Winnipeg, which allows for mixed use, commercial, and residential development; thus, the proposed rezoning is in conformance with Plan Winnipeg 2020.

**ADMINISTRATIVE COMMENTS**:

The Planning & Land Use Division has no planning concerns with the proposed rezoning, as the proposed zoning designations of R1-4 and PR-1 are compatible with the adjacent residential properties, and are a natural extension of the overall Amber Trails residential development. While the majority of Water & Waste and Public Works concerns have been resolved, the July 2nd report from the Administrative Coordinating Group has noted several issues to be included as conditions in an addedum to the existing Development Agreement No. 3/1996. These issues include: a) street improvements on Leila Avenue between Pipeline Road and the future Chief Peguis Trail; b) street improvements on Pipeline Road between Leila Avenue and the future

Chief Peguis Trail; and c) improvements and traffic control signal installation at the intersection of Pipeline Road & Leile Avenue.

**RECOMMENDATION:**

I. That the plan of subdivision proposed under File No. DASZ 17/03 be approved for preparation as a plan of subdivision by a Manitoba Land Surveyor in accordance with Schedule "A" for File No. DASZ 17/03, attached hereto and dated July 14, 2003, for registration in the Winnipeg Land Titles Office, subject to the following:

II. That the Developer be required to enter into an Addendum to Development Agreement No. 3/1996 with the City containing all the conditions outlined in the report of the Administrative Coordinating Group dated July 2nd, 2003;

A. That the Director of Planning, Property and Development be authorized to certify any documents in connection therewith.

III. That Zoning By-Law No. 6400/94 be amended by rezoning the subject land as shown on Schedule "A" for File No. DASZ 17/03, attached hereto and dated July 14, 2003, to a "R1-4" Residential District and a "PR-1" Parks & Recreation District.

IV. That, in the event this application is not proceeded with expeditiously and the by-law is not enacted within twenty-four (24) months after adoption of this report by Council, the matter shall be deemed to be concluded and shall not be proceeded with unless an extension of this time is applied for prior to the expiry of this twenty four (24) month period and the extension is subsequently approved by Council.

V. That the City Solicitor / Manager of Legal Services be requested to prepare the necessary by-law in accordance with the above.

VI. That the subdivision section of the by-law shall come into force and effect upon execution by the City of Winnipeg of the Addendum to Development Agreement No. 3/1996.

VII. That the zoning section of the by-law shall come into force and effect when the Plan of Subdivision has been registered in the Winnipeg Land Titles Office.

VIII. The Plan of Subdivision shall be approved and signed by the Director of Planning, Property and Development within two (2) years of the date of passage of the aforementioned by-law.

IX. In the event that the necessary City of Winnipeg mylar approval signatures have not been secured within 24 months after adoption of the by-law, the matter shall be deemed to be concluded and shall not be proceeded with unless an extension of this time is applied for prior to the expiry of this twenty four (24) month period and the extension is subsequently approved by Council.

**Re: Proposed subdivision and rezoning on land located west of Courland Bay, north and south sides of Amber Trail – DASZ 17/03**

An application has been submitted by Genstar Development Company to subdivide and rezone land located west of Courland Bay, north and south sides of Amber Trail. The subject land is located immediately west of Amber Trails covered under Development Agreement AG 3/96 and addenda thereto.

It is recommended that approval of this application be subject to the Developer submitting a land drainage report prepared by a qualified engineer outlining the proposed interim land drainage servicing and also submitting updated Servicing Criteria Sheets for the Amber Trails development.

It is also recommended that approval of this application be subject to the Developer entering into a further Addendum to Development Agreement AG 3/96 as follows:

1. By attaching a plan showing the land covered under DASZ 17/03;
2. By attaching a plan showing the servicing requirements for the land covered under DASZ 17/03 including a looped watermain, the land drainage interconnecting pipe in Amber Trail from its current terminus to the proposed stormwater retention basin and including an oversized wastewater sewer in Amber Trail from its current terminus to the west limit of the proposed subdivision;
3. By adding a clause requiring the Developer to pay the land drainage TSR, the Leila Trunk user Charge and the wastewater sewer oversizing charge attributable to the land covered under DASZ 17/03. (The cost of constructing the interconnecting land drainage pipe will be credited against the TSR and the cost of constructing the oversized wastewater sewer in this phase will be credited against the Developer's wastewater sewer oversizing charge.)
4. By adding a clause requiring the Developer to construct a sidewalk on the south side of Amber Trail at the same time as the adjacent concrete pavement is constructed;
5. By adding a clause requiring the Developer to pay $1,200.00 per acre to defray the City's administration and related costs associated with the preparation and implementation of the addendum to Development Agreement AG 3/96.
6. By adding a clause dealing with the provision of public open space within the land covered under DASZ 17/03. Currently the Developer is entitled to the following credits in connection with dedication:

    i) Land 2.903 acres
    ii) Landscaping 2.103 acres
    iii) Services 109m

7. By adding a clause as follows:

The Developer shall pay its share of the cost of the following improvements on an area basis for the area bounded by Leila Avenue, Pipeline Road and the future Chief Peguis Trail as determined by the Director of Public Works:

i) an 8.3m in width by 200mm in thickness portland cement concrete pavement in Leila Avenue between Pipeline Road and the future Chief Peguis Trail and in Pipeline Road between Leila Avenue and the future Chief Peguis Trail.

ii) channelization, including, but not necessarily limited to construction of pavement for through lanes, auxiliary lanes, channelization, transitions, the installation and/or relocation of street lights and other utilities and boulevard landscaping at all street intersections entering Amber Trails from Pipeline Road and Leila Avenue including, but not necessarily limited to, the intersection of Allan Blye Drive and Mandalay Drive with Leila Avenue and the intersections of the two ease-west streets entering Amber Trails from Pipeline Road.

iii) channelization at the intersection of Pipeline Road and Leila Avenue including, but not necessarily limited to construction of pavement for through lanes, auxiliary lanes, channelization, transitions and the installation and/or relocation of street lights and other utilities and boulevard landscaping.

iv) traffic control signals at the intersection of Leila Avenue and Pipeline Road.

v) ornamental street lighting, sidewalks, boulevard landscaping and any accessory land drainage works in conjunction with the above works.
