SUMMARIZATION OF REPRESENTATIONS AND SUBMISSIONS
MADE AT THE PUBLIC HEARING

Pedro Chagas, on behalf of Nejmark Architects, appeared in support of the application. He was accompanied by Joe Bruni, the owner of the property in question. Committee was advised the subject property is presently vacant and is to be developed for Mr. Bruni's own business. Mr. Bruni proposes to construct a 2,275 sq. ft. building on the property to be used as his cabinetry workshop. Mr. Chagas indicated concurrence in the recommendations outlined in the report of the Acting Manager of Planning and Land Use.

Joe Banfield, on behalf of 66909 Manitoba Ltd., appeared in opposition to the application. Committee was advised Mr. Banfield owns the apartment block next to the subject property and was concerned with the proposed "C2" zoning classification applied for which was necessary to allow Mr. Bruni to establish his business. He stated that although he was not opposed to the development or the proposed use of the subject property, he was opposed to the outright "C2"

zoning of the property inasmuch as some of the “C2” uses that would be permitted with the zoning change could adversely affect his property. In this connection, Mr. Banfield indicated he would be willing to work with the applicant, the owner of the subject property and the City to discuss “C2” uses he might be willing to support.

In rebuttal, Mr. Chagas advised Committee that he and Mr. Bruni were willing to meet informally with Mr. Banfield to discuss issues raised by him and an informal meeting was subsequently held.

Following the informal meeting, Mr. Chagas advised Committee that Mr. Bruni and Mr. Banfield had reached a concensus and had mutually agreed to have specific “C2” uses prohibited. Mr. Chagas also stated that in an effort to address concerns that were raised at the informal meeting, Mr. Bruni had agreed to meet certain requests made by Mr. Banfield, as same specifically related to the accompanying variance application.

While Mr. Banfield was reciting the list of prohibited “C2” uses that had been mutually agreed to, the Planner suggested it may be more efficient to simply limit the “C2” use of the property to a “wood products, manufacture (cabinet shop)”, assuming the applicant and owner were in agreement. Mr. Chagas and Mr. Bruni confirmed they were agreeable to such a proposal.

Dear Ms. Timmins:

REZONING
1452 Logan Ave.
Lord Selkirk – West Kildonan Community Committee
File No. DAZ 218/03

An application has been received from Nejmark Architects, to amend By-Law No. 6400/94 by rezoning the land shown below from a "R2A" Residential District to a "C-2" Commercial District to allow for the establishment of a cabinet shop, and other potential commercial users.

RELATED FILES: DAV 314441/03D

SITE DESCRIPTION:

Site Area:

The total overall site area of the subject property is approximately 3,750 square feet (0.09 acres).

Existing Land Use and Zoning:

The property in question is currently zoned R2A Residential, and is a vacant lot at present.

Surrounding Land Use and Zoning:

North: Logan Avenue, then single family residences (R2A) and commercial uses (C-1).
South: Residential Lane, then single family residences (R2A)
East: Commercial uses (C1.5 & C2), an apartment block (C-1), Quelch Street, then Weston School
West: An apartment block (R2A), then single family residences (R2A)

DEVELOPMENT DESCRIPTION:

The applicant, Nejmark Architects, proposes to rezone the property in question to "C2" to permit the establishment of a cabinet shop. Cabinet shops are defined as a "Wood products, manufacture" use under the zoning by-law, and are a permitted use in a C2 district. Cabinet shops are also permitted in a C1.5 commercial district with a conditional use permit.

The proposed cabinet shop is to be located within a new 2,275 square foot building to be constructed on-site. The applicant also proposes a reduced side yard of 5' instead of the required 10', an accessory parking area with access from a land instead of an aisle, and a loading space length of 25' instead of the required 33' (see related variance DAV 314441/03D).

PLAN WINNIPEG:

The subject property falls within a designated Neighbourhood Policy Area under Plan Winnipeg, which allows for the processing of residential and commercial rezoning applications; thus, the proposed rezoning is in conformance with Plan Winnipeg 2020.

ADMINISTRATIVE COMMENTS:

The proposed zoning designation of "C2" Commercial and the proposed use is compatible with the adjacent commercial properties. While the site is across a rear lane from existing single family residences, and adjacent to an existing apartment block, it is highly unlikely that the site will be developed for residential uses in the future, owing to it's location on a busy major collector or arterial street (Logan Ave.). The Planning & Land Use Division has no issues with the proposed rezoning.

RECOMMENDATION:

I. That By-law 6400/94 be amended by rezoning the subject land as shown on Schedule "A", for file DAZ 218/03, attached hereto and dated July 14th, 2003, to a "C2" Commercial District.

II. That a 10 per cent dedication be made by a payment of a sum of money to the City in lieu of the requirement for land dedication based on the increase in the market value of the land.

III. That, in the event this application is not proceeded with expeditiously and the by-law is not enacted within twenty-four (24) months after adoption of this report by Council, the matter shall be deemed to be concluded and shall not be proceeded with unless an extension of this time is applied for prior to the expiry of this twenty four (24) month period and the extension is subsequently approved by Council.

IV. That the City Solicitor / Manager of Legal Services be requested to prepare the necessary rezoning by-law and forward same to Council for all three readings.

V. That the Proper Officers of the City are hereby authorized to execute said Zoning Agreement.

VI. That the City Solicitor / Manager of Legal Services be requested to do all things necessary for implementation in accordance with the terms of The City of Winnipeg Charter.

Yours truly,

C. Knoll
