4. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

REASON FOR THE REPORT

Council approval is required to enter into this Funding Agreement with the Manitoba Public Insurance Corporation.

IMPLICATIONS OF THE RECOMMENDATIONS

Manitoba Public Insurance Corporation will provide $6,000.00 to offset the total cost of the Car Town program.

The full cost of the Car Town Program and recovery are proposed within the 2015 Operating Budget.

HISTORY

Car Town is the City of Winnipeg's premiere children's road safety program. It is designed to teach children aged 4 - 7 years old about driving safety in an entertaining and realistic town setting. Each session includes games and songs, pedestrian safety and road safety instruction. A Car Town driver's license is provided at the end of each session to each participant.

The program has been operational each summer for approximately 24 years, which generates revenues of approximately $24,000 and direct costs of approximately $30,000 per year.

Since 2008, the Manitoba Public Insurance Corporation has provided $6,000 per year in funding to offset the total cost of the Car Town program. A formal agreement has been in place each year for this purpose.

In 2014, more than 2,000 children participated in the program from June to August.

An Agreement has been drafted to address the respective obligations of Manitoba Public Insurance Corporation and the Community Services Department for the 2015 Car Town Program. The term of the Agreement commenced on November 1, 2014 and will continue until October 31, 2015.

Additional Comments: A funding agreement with Manitoba Public Insurance Corporation (MPIC) that would provide a $6,000 recovery would assist with offsetting the total annual cost of the City of Winnipeg Community Services Department's Car Town Program.

The program revenue ($24,000), direct costs $30,000, and recovery ($6,000) from Manitoba Public Insurance Coporation (MPIC) for the Car Town program are proposed within the 2015 Operating Budget.

No budget adjustments are required.
