Subject: North Kildonan Traffic and Exec. Policy Cttee Mtg April 22nd.

Please register me to attend and present at the up-coming meeting noted above.

I have attended the previous hearings regarding the proposed development and traffic implications for North Kildonan that the RM of East St. Paul is advocating and I wish to express my concerns to the Mayor and members of the City Council that the development of the big box complex, the crossing of the Perimeter Highway and the expected increase in traffic flow through North Kildonan are not wanted by the great majority of local residents in this area and the City should conduct a proper poll to confirm this and guide their decisions.

Please forward this for the Mayor's attention prior to tomorrow's meeting.

Mr. Roland D. Wickstrom
