TO THE CHAIRPERSON AND MEMBERS
OF THE EAST KILDONAN-TRANSCONA COMMUNITY COMMITTEE

RE: FILE NO. DAC 9/2003 - PROPOSED CLOSING OF PART OF THE PUBLIC LANE NORTH OF GILMORE AVENUE, EAST OF HENDERSON HIGHWAY NORTH KILDONAN WARD

RECOMMENDATION:

That the Community Committee not approve the proposed closing as illustrated on Schedule "A", Misc. Plan No. 11911/1.

REASON:

All street and lane closings require the consideration of the Community Committee.

HISTORY:

In May of 2003, the Planning, Property and Development Department received a request from Patrick Hamilton of Royal Lepage Stevenson Advisors to purchase the portion of the public lane shown as "Proposed Closing" on Schedule "A". Mr. Hamilton's client proposes to incorporate the lane into a planned development of the property to the west at 1665 Henderson Highway.

The subject lane was created by a plan of subdivision in 1954. The lane terminated at this point, and the wider configuration at the terminus was intended to allow for vehicles to turn around. The lane has never been paved or used for traffic, and serves no public purpose.

DISCUSSION:

Administrative Comments

All affected City departments and public utilities have considered the proposal. The Transportation Division of the Public Works Department is opposed to closings that result in "dead-ends". This creates a safety concern, as vehicles are obliged to either trespass on private property to turn around or to back in or out of the dead-end lane. The Transportation Division has advised that it cannot support the lane closure without the provision of a turnaround area as generally illustrated on Schedule "B", Misc. Plan No. 11911.

Manitoba Hydro has advised that there are Hydro, MTS and Shaw Cable facilities in the lane. If this lane is closed and sold it will be necessary to create an easement area to allow continued

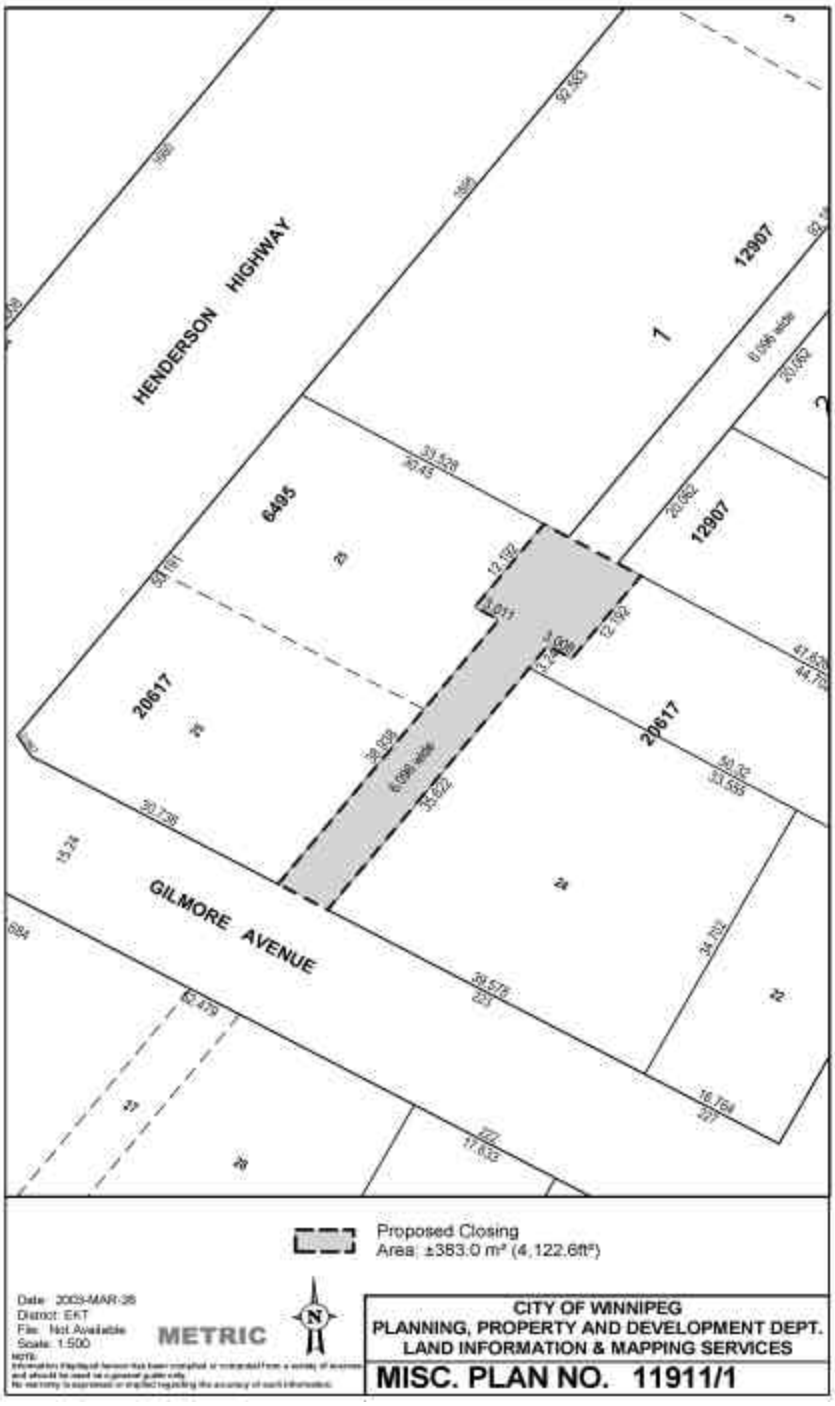

access to these facilities. No structures other than paving or fencing will be allowed in this easement area.

Transfer of Jurisdiction Over Public Rights-of-Way

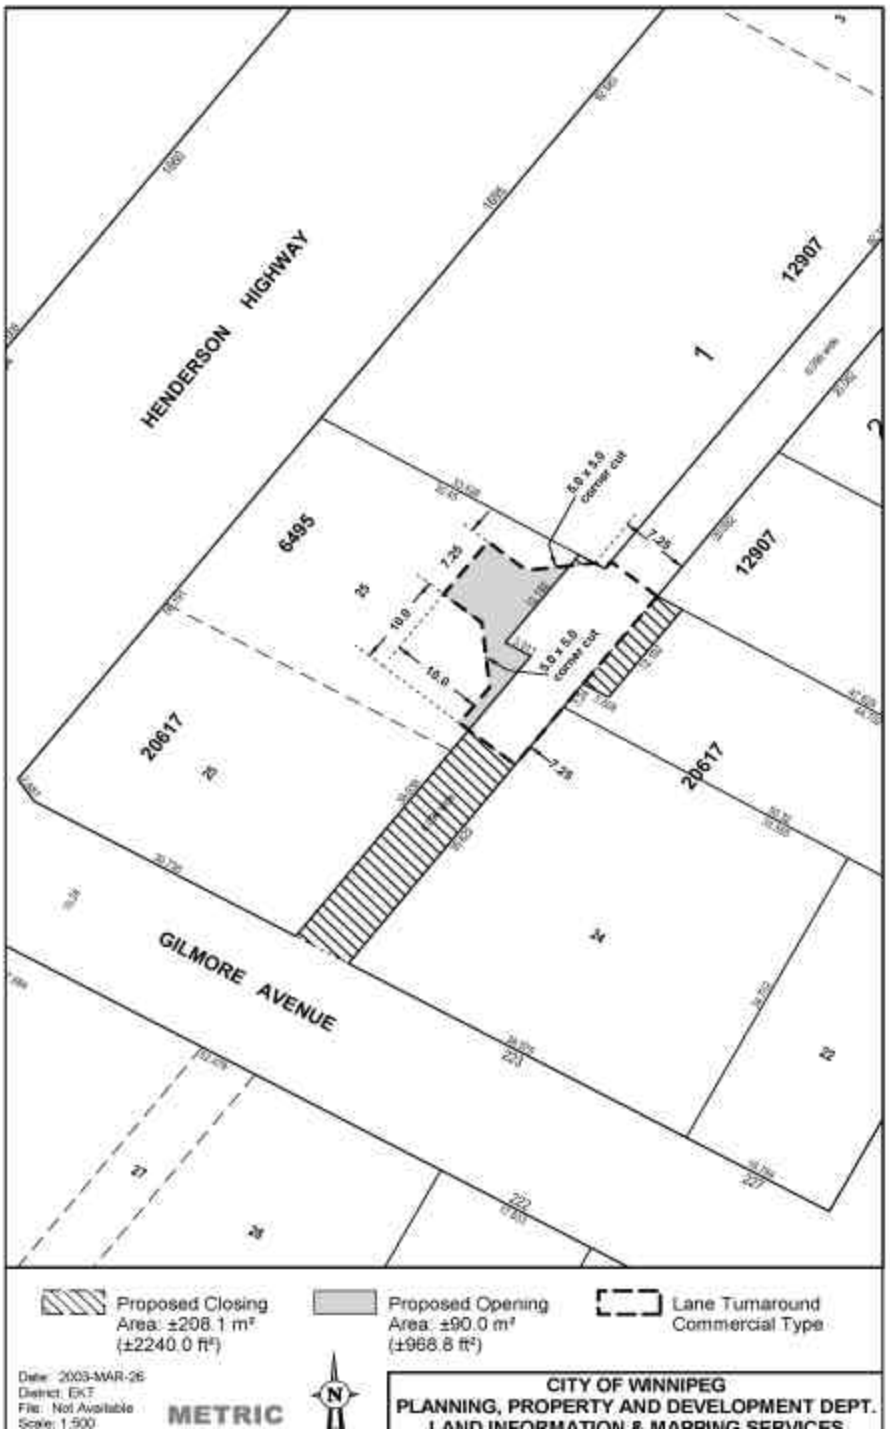

The lane must be legally closed before it may be sold. Title to all public rights of way in Manitoba is vested in the name of the Province. The registration in the Winnipeg Land Titles Office of a closing by-law removes the public right of way status from the land and vests the ownership of the property in the City's name. The City is not entitled to dispose of the land until this has been done.
