REASON FOR THE REPORT

- The applicant is proposing to repeal in its entirety the Zoning Agreement associated with DAZ 321/75.
- A Zoning Agreement Amendment requires a public hearing as per the *Development Procedures By-law* and *The City of Winnipeg Charter.*
- The Report is being submitted for the Committee's consideration of the development application at the public hearing.

IMPLICATIONS OF THE RECOMMENDATIONS

- If the recommendations of the Urban Planning Division are concurred in, the Zoning Agreement under DAZ 231/75 will be discharged.

HISTORY

The subject zoning agreement dates back to a rezoning in 1975 (DAZ 321/75). The conditions of the zoning agreement are specific to an expansion of a grocery store and parking area that no longer exist on the subject site.

Through a Conditional Use approval granted by the Appeals Committee in 2012 the subject site contains a Tim Horton's restaurant with a drive thru.

In 2006 the subject lands were rezoned to "CMU" Commercial Mixed Use District as a City of Winnipeg initiated rezoning as an implementation action of the West Alexander and Centennial Neighbourhood Plan.

DESCRIPTION OF THE PROPOSED DEVELOPMENT

- The applicant is proposing to repeal in its entirety the Zoning Agreement associated with DAZ 321/75 which applies to a building no longer in existence on the subject site.

ANALYSIS AND ISSUES

COMPLETE COMMUNITIES DIRECTION STRATEGY:

- Under the *Complete Communities Direction Strategy* the proposed development is within the Areas of Stability – Mature Communities Policy Area.

WEST ALEXANDER & CENTENNIAL NEIGHBOURHOOD PLAN

The subject lands are regulated by the Secondary Plan. Future development is governed by the policies of the secondary plan. The lands are located within a Commercial Mixed Use Policy Area. As per a plan implementation action, the subject lands along with many other lands in the area were rezoned to a "CMU" Commercial Mixed Use Policy Area of the plan to better align the zoning of the property with plan policies.

DCU 12-180073C

Conditional Use approval for the Tim Horton's development was granted by the Appeals Committee of Council. A conditional of approval was that plans be submitted to and approved by the LSWK Community Committee prior to the issuance of permits. This clause also applies to any future development on the subject lands. It is noted that the subject development was approved by the LSWK Community Committee.

As per the above Conditional Use application and the policies of the Secondary Plan there are sufficient regulations in place to guide future development on the subject site. The existing zoning agreement is no longer relevant to the development that exists on the subject site. Though the agreement has no relevance the applicant wishes to remove the caveat so as to clear the property title.The Urban Planning Division has no objections thereto.

RECOMMENDATION

1) That the Zoning Agreement Caveat 238693/1 under File DAZ 321/75 dated April 6, 1976 (by-law (By-law 1252/76) be withdrawn.

2) That the Director of Legal Services and City Solicitor be requested to withdraw the subject Zoning Agreement to DAZ 321/75 (By-Law No. 1252/76) as approved in aforesaid Recommendation 1.

3) That the Proper Officers of the City are hereby authorized to execute said Amending Agreement.

4) That the Director of Legal Services and City Solicitor be requested to do all things necessary for implementation in accordance with the terms of The City of Winnipeg Charter.
