Dear Ms. Skundberg:

REZONING
121 Pandora Avenue West
East Kildonan - Transcona Community Committee
File No. DAZ 241/04

An application has been received from Abbey Lubega and Aganetha Froese to amend By-Law No. 6400/94 by rezoning the land shown below from a "M1" Industrial District to a "R2" Residential District for future construction of a single or two family dwelling.

Related Files: DAV 04-314086D

SITE DESCRIPTION:

Site Area: 619 square metres (6,672 square feet).

Existing Land Use and Zoning: Vacant land with a detached garage zoned "M1".

Surrounding Land Use and Zoning:

North: across public lane, single family dwellings zoned "R1-4".
South: Across Pandora Avenue West, CN Rail zoned "M3".
East: Single family dwelling zoned "M1".
West: Single family dwelling, zoned "M1".

DEVELOPMENT DESCRIPTION:

The applicant intends to rezone the property in order to construct a single or two family (duplex) dwelling.

PLAN WINNIPEG:

The proposed concept complies with Plan Winnipeg in that a residential rezoning is allowed in Neighbourhood Policy Areas.

ADMINISTRATIVE COMMENTS:

The Planning and Land-Use Division supports the rezoning application. The characteristics of Pandora Avenue along the north side is mainly residential. There are a few commercial and industrial related uses mixed in with the residential dwellings. This can be expected given that Pandora Avenue serves as a boundary between the CNR Transcona Yards to the south and the residential neighbourhood of Transcona to the north. Additional residential dwellings will compliment the existing residential component.

There is a related variance to maintain the detached garage as an accessory structure without the existence of a principle dwelling.

RECOMMENDATION:

I. That By-law 6400/94 be amended by rezoning the subject land as shown on Schedule "A", for file DAZ 241/04, attached hereto and dated, July 22, 2004, to a "R2" Residential District.

II. That a 10 per cent dedication be made by a payment of a sum of money to the City in lieu of the requirement for land dedication based on the increase in the market value of the land.

III. That in the event this application is not proceeded with expeditiously and the by-law is not enacted within twenty-four (24) months after adoption of this report by Council, the matter shall be deemed to be concluded and shall not be proceeded with unless an extension of time is applied for prior to the expiry of this twenty-four (24) month period and the extension is subsequently approved by Council.

IV. That the City Solicitor be requested to prepare the necessary rezoning by-law and forward same to Council for all three readings.

V. That the City Solicitor be requested to do all things necessary for implementation in accordance with the terms of The City of Winnipeg Charter Act.
