Dear Ms. Timmins:

REZONING
422 / 424 Dufferin Ave
Lord Selkirk – West Kildonan Community
File No. DAZ 244/04

An application has been received from Andrew Wach Architects, to amend By-Law No. 6400/94 by rezoning the land shown below from a "M1" Industrial District to a "C2" Commercial District to allow for the establishment of a counselling clinic.

RELATED FILES: DAV 04-317667D

SITE DESCRIPTION:

Site Area, Existing Land Use, and Zoning:

The subject property is zoned 'M1' Industrial, and is currently occupied by a duplex residential building facing Dufferin Ave, and a single story industrial building occupied by an automobile repair business facing the rear lane. The property is approximately 7,500 square feet (0.17 acres) in size.

Surrounding Land Use and Zoning:

North: Dufferin Ave, then an industrial building (M1), vacant land, and residential buildings (R2-T)
South: A public lane, then industrial buildings and vacant land (M2)
East: Residential / commercial buildings (M1), then Salter St
West: Residential and industrial buildings (M1)

DEVELOPMENT DESCRIPTION:

The applicant is proposing to rezone the land to 'C2' Commercial to permit the establishment of a counselling clinic on site, which is not a permitted use under the property's current 'M1' Industrial zoning. The organization proposing to run the clinic, Sage House, will offer a variety of counselling services for women, as well as support services, such as laundry and food preparation. All proposed activities will occur within the existing duplex structure at 422 / 424 Dufferin Ave, which is currently in a high state of maitenance and repair. The applicant is also proposing to retain the existing automobile service use on-site, which is located in an approximately 1,200 square foot single story building located adjacent to the rear lane.

PLAN WINNIPEG:

The subject property falls within a designated Industrial Policy Area under Plan Winnipeg which allows for industrial, and related or supportive commercial development; thus, the proposed rezoning is in conformance with Plan Winnipeg 2020.

ADMINISTRATIVE COMMENTS:

The Planning & Land Use Division has no objections to the proposed rezoning, as it will permit continuation of an established commercial enterprise on-site, and the incorporation of clinical counselling services for the surrounding neighbourhood. The existing residential structure on site is in a high level of maintenance, and similar residential properties on the south side of Dufferin Ave have been converted for industrial or commercial use. The proposed rezoning is compatible with the surrounding area, and will not adversely impact adjacent properties.

RECOMMENDATION:

I. That By-law 6400/94 be amended by rezoning the subject land as shown on Schedule "A", for file DAZ 244/04, attached hereto and dated August 31st, 2004, to a "C2"

II. That a 10 per cent dedication be made by a payment of a sum of money to the City in lieu of the requirement for land dedication based on the increase in the market value of the land.

III. That, in the event this application is not proceeded with expeditiously and the by-law is not enacted within twenty-four (24) months after adoption of this report by Council, the matter shall be deemed to be concluded and shall not be proceeded with unless an extension of time is applied for prior to the expiry of this twenty-four (24) month period and the extension is subsequently approved by Council.

IV. That the City Solicitor be requested to prepare the necessary rezoning by-law and forward same to Council for all three readings.

V. That the City Solicitor be requested to do all things necessary for implementation in accordance with the terms of The City of Winnipeg Act.

Yours truly,

C. Knoll
