RECOMMENDATIONS

That the time limit for enactment of rezoning bylaw for DAZ 203/13 be extended to November 20, 2017.

REASON FOR THE REPORT

Council approval is required for an extension of time.

EXECUTIVE SUMMARY

The Developer, 4293631 Manitoba Ltd. is required to initiate the bylaw within two years after the adoption of the report by council. Due to servicing constraints the Developer has requested that an extension of time to initiate the bylaw be approved by council. The additional time will allow the Developer to explore various servicing options.

The Winnipeg Public Service has no objection to this request.

IMPLICATIONS OF THE RECOMMENDATIONS

The owner will be granted a two (2) year extension of time to complete the enactment by Council of the rezoning by-law for DAZ 203/2013.

HISTORY

On November 20, 2013 Council adopted Item No. 2 of the report of the Executive Policy Committee dated November 5, 2013 which recommended approval of the subject rezoning application as shown on Appendix "A" attached.

Recommendation 3 contained in the Council Decision stipulates:

> "That in the event the application is not proceeded with expeditiously and the by-law is not enacted within twenty-four (24) months after adoption of the report by Council, the matter shall be deemed to be concluded and shall not be proceeded with unless an extension of time is applied for prior to the expiry of this twenty-four (24) month period and the extension is subsequently approved by Council."

The rezoning bylaw has not been enacted by Council and the twenty-four (24) month period will expire on November 20, 2015.

On May 13, 2015 the Developer, 4293631 Manitoba Ltd., c/o Stride Development Corporation, Suite 920-One Lombard Place, Winnipeg, Manitoba applied for an extension of time in order to complete the necessary by-law enactment for DAZ 203/2013 see attached Appendix "B".

The Winnipeg Public Service have reviewed the request for the extension of time and is of the opinion that approval of the subject extension of time would be acceptable and circumstances leading to the original approval remain unchanged.

Attn: Greg Jasper

Dear Mr. Jasper:

RE: Rezoning - Court Avenue (Lot 1, Plan 52503) File DAZ 203/13

Further to our meeting on April 28, 2015, please accept this as our request to extend the rezoning on the subject parcel.

As discussed, we are currently unable to service the site for reasons beyond our control. The water flow capacity is inadequate until such time the watermain is extended to Pipeline Road. Our consulting engineers, Stantec, have verified once this connection is made, the flow and pressure will be adequate to service lands along Court Avenue.

Please let me know if you require any further information as part of this request for extension.

Jay Lev
