RELATED FILES: DAV 15-117179/D
COMMUNITY: City Centre Community
NEIGHBOURHOOD #: 1.108

SUBJECT: To rezone the subject land from an "RMF-M" Residential Multi-Family District to an ""RMF-L" Residential Multi-Family District

LOCATION: 693 Maryland Street
LEGAL DESCRIPTION: LOT 11 PLAN 174 72 ST JA

APPLICANT: Affinity Architecture

OWNER: 5685011 Manitoba Ltd.

RECOMMENDATION: **Approval**

SITE DESCRIPTION
The property, which is currently zoned "RMF-M" Residential Multi-Family District, is located on Maryland Street, between Wellington and Sargent Avenues, in the Spence neighbourhood of the Daniel McIntyre ward.

North: Park space zoned "RMF-M" Residential Multi-Family District
South: Community garden zoned "RMF-M" Residential Multi-Family District
East: Residences zoned "RMF-M" Residential Multi-Family District
West: Residences zoned "RMF-M" Residential Multi-Family District

DESCRIPTION OF THE PROPOSED DEVELOPMENT
The applicant seeks approval to rezone the subject property from “RMF-M” Residential Multi-Family District Medium to “RMF-L” Residential Multi-Family District Large, in order to accommodate two additional suites in the basement. The building currently has fourteen units, which will increase to sixteen units, with the expansion.

The expansion is due to the present owner renovating/upgrading the building and being able to make better use of the existing space. The two additional suites will provide much needed housing to the area. It is recommended that this rezoning be approved.

RECOMMENDATIONS
The Urban Planning Division recommends **approval**, with conditions for the following reasons:

- The rezoning is consistent with *Complete Communities*
- The proposal is consistent and compatible with the surrounding properties;
- The subject will be retaining the footprint of the existing structure.
- The proposed addition will not change the form and external appearance of the existing building thereby fitting the existing character.
- There is a need for a mix of housing opportunities throughout the City. This development is consistent with the increased need for more housing supply in the Spence neighborhood.
