RECOMMENDATIONS

1. That the proposed acquisition of a portion of 2055 Notre Dame Avenue, owned by Her Majesty the Queen in the right of the Province of Manitoba, identified as "PROPOSED ACQUISITION" on Misc. Plan No. 14581, be approved at the purchase price of $125,000.00 plus ancillary costs and in accordance with the terms and conditions acceptable to the Director of Planning, Property and Development Department and the Director of Legal Services, deem necessary to protect the interests of the City.

2. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

REASON FOR THE REPORT

The Public Works Department has identified a portion of 2055 Notre Dame Avenue along King Edward Street from Legion Avenue to Notre Dame Avenue as being required for the purpose of including a turning lane on King Edward Street.

Council approval is required for the acquisition of property which is not part of a Council approved program or project.

IMPLICATIONS OF THE RECOMMENDATIONS

There is urgency to purchasing this property as construction work needs to begin as soon as possible.
There are no regulatory or human resources implications associated with this report.

HISTORY

On December 17, 2013, Council adopted the 2014 Capital Budget, which included funding for the 2014 Regional and Local Street Renewal Program of $84,187,000.00, with $35,326,000.00 of funding allocated to 2014 Regional Street Renewal Program.

The Public Works Department requested that the Real Estate Division negotiate the acquisition of the lands at the Northwest corner of the intersection of King Edward Street and Notre Dame Avenue as shown on the attached Misc. Plan No. 14581 for the purpose of including a turning lane to be constructed under Bid Opportunity 463-2014 “King Edward Street Southbound and Century Street Northbound”.

The subject property was inspected and an appraisal was completed. Discussions with the owner, HMQ Manitoba, represented by Manitoba Infrastructure and Transportation, concluded in an agreed-upon purchase price of $125,000.00.

Once the subject property has been acquired, it is the intention of the Department to legally open the subject property as right-of-way.

The Public Works Department supports the land purchase as negotiated and has advised that adequate funding for this proposed land purchase is available under account number 003-181000-180604-1804100414—Property.
