## IMPLICATIONS OF THE RECOMMENDATIONS

There are no regulatory or human resource implications associated with the report.

The City's standard terms and conditions of sale will include provisions to protect the City's interests in the event that environmental contamination is discovered.

There are no direct financial implications associated with this recommendation.

The City plans to sell the City-owned property, shown as “Subject City Property” on the attached Misc. Plan No. 10969/10, to the owner of 2130 Notre Dame Avenue, for consolidation with their current holdings.

## HISTORY

On August 30, 2001, the Canadian Pacific Railway sent a letter to the Real Estate Division advising that they no longer required the use of this land and that the spur track had been removed.

The adjoining owner at 2130 Notre Dame Avenue, Artis Winnipeg Industrial Limited, recently expressed interest in acquiring the “Subject City Property” on Misc. Plan 10969/10 (Parcel D, Plan 42684).

The subject property was circulated to all City Departments and no Civic need was identified.

A letter was then forwarded to the remaining neighbouring property owner (Pensionfund Realty Ltd.) located at 1216 Sherwin Road, inquiring if they were interested in purchasing their half of the “Subject City Property – Parcel B” on Misc. Plan 10969/8. On Friday, March 13th, the City received written confirmation that the property owners at 1216 Sherwin Road were not interested in acquiring their ½ portion of the subject parcel.

The Department intends to sell the entire “Subject City Property” on Misc. Plan 10969/10 to the adjoining owner at 2130 Notre Dame Avenue, for consolidation with their current holding.

The Ward Councillor was consulted and concurs with the intentions of the Department.
