2. That the Proper Officers of the City be authorized to do all things necessary to effect the intent of the foregoing.

REASON FOR THE REPORT

The assignment of a Servicing Agreement requires Council approval.

EXECUTIVE SUMMARY

Pursuant to Servicing Agreement AG 566/2005, the Developer is required to install a wastewater sewer and watermain within the Public right-of-way to provide service to the Planned Area.

6086498 Manitoba Ltd. and Kingsbury Court Inc. have requested the City's consent to the assignment by 6086498 Manitoba Ltd. of all its rights, entitlements, interests and obligations as Developer under Servicing Agreement AG 566/2005 to Kingsbury Court Inc. The Winnipeg Public Service has no objection to this request. Council has consented to the assignment of Servicing Agreements in the past.

IMPLICATIONS OF THE RECOMMENDATIONS

Concurrence with this recommendation will enable Kingsbury Court Inc. to complete the required servicing obligations for Lot 2 under DASSF 566/2005 pursuant to the terms and conditions of Servicing Agreement AG 566/2005.

HISTORY

The City entered into Servicing Agreement AG 566/2005 with 5268045 Manitoba Ltd. effective April 4, 2006. The subdivision mylars and related documents under related subdivision application DASSF 566/2005 were released on February 7, 2007 by the City to the Developer and registered in the Winnipeg Land Titles Office on February 23, 2007 under Plan No. 45884. The Planned Area is shown in Appendix “A”.

On January 26, 2011, Council approved a consent request for the assignment of Servicing Agreement AG 566/05 by 5268045 Manitoba Ltd. to 6086498 Manitoba Ltd. and on March 1, 2011 an Addendum Agreement was executed with 6086498 Manitoba Ltd. to effect the legal transfer of the Agreement.

On April 24, 2015, 6086498 Manitoba Ltd. and a new proponent Kingsbury Court Inc., requested the City’s consent to allow Kingsbury Court Inc. to legally assume responsibility for Servicing Agreement AG 566/2005. Attached as Appendix “B” is a document, signed by both 6086498 Manitoba Ltd. and Kingsbury Court Inc. agreeing to the assignment of Servicing Agreement AG 566/2005.

Servicing requirements under AG 566/2005 include the installation and construction of wastewater sewers and watermains to serve the Planned Area. The Developer (6086498 Manitoba Ltd.) had provided the City with a Letter of Credit to guarantee the servicing requirements under the Agreement. The new proponent, Kingsbury Court Inc. is in the process of making arrangements for a new Letter of Credit at current estimated construction costs to be provided to the City as part of the required Agreement security. Upon receipt and acceptance of the new Letter of Credit, the Letter of Credit provided by 6086498 Manitoba Ltd. will be returned.

The Winnipeg Public Service has no objection to this request.

The City has consented to the assignment of Servicing Agreements in the past.

Enabling Strategies:
> Define 'full range of municipal services' as piped water, piped wastewater, piped land drainage, and an urban standard roadway.
> Enable the intensification of land-uses through the development application process only when a full range of municipal services is provided.
