RECOMMENDATIONS

That the Standing Policy Committee on Property and Development recommend that Council approve the following:

1. That the proposed terms and conditions attached hereto and referred to as Schedule “A” for an encroachment agreement in favour of the 6779264 Manitoba Ltd., for placement of air handling units and fencing, and as identified as the “Encroachment Area” on Misc. Plan No. 14871 be approved.

2. That the City enter into an encroachment agreement as determined necessary by the City Solicitor/Director of Legal Services to implement the intent of the foregoing.

3. That the authority be delegated to the Director of Planning, Property and Development to negotiate and approve the final terms and conditions of the encroachment agreement, in accordance with the terms and conditions set forth in Schedule “A”; and such other terms and conditions deemed necessary by the City Solicitor/Director of Legal Services to protect the interests of the City.

4. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

REASON FOR THE REPORT

In accordance with the Council Order of July 18, 1979, the Standing Policy Committee on Property and Development shall authorize the leasing or rental of City property and right-of-way for which the Director of Planning, Property and Development has no authority.

In accordance with Encroachment By-law 692/74, General Regulations, 4. (1) d, which states:

"Where the encroachment is of an unusual or commercial nature that it be referred to the Director of Land and Development Services of the City for the purpose of negotiating a reasonable rental and making recommendation to the Chief Administrative Officer for subsequent referral to Council."

In this regard, the Planning, Property and Development Department has negotiated the proposed terms and conditions of an encroachment agreement as set out in attached Schedule "A" in favour of 6779264 Manitoba Ltd. for the use of land located adjacent to 422 Jarvis Avenue and identified as "Encroachment Area" on attached Miscellaneous Plan No. 14871.

EXECUTIVE SUMMARY

Application of an Encroachment Agreement for placement of air handling units and fencing adjacent to 422 Jarvis Avenue, as specified in the History section of this report.

IMPLICATIONS OF THE RECOMMENDATIONS

1. The Planning, Property and Development Department has determined that there are no general, policy, regulatory, environmental or human resource implications to entering into an Encroachment Agreement as set out in the attached Proposed Terms and Conditions, Schedule "A".

2. An annual continuing term with cancellation provision will allow for 6779264 Manitoba Ltd to place air handling units and fencing on the Encroachment Area, while maintaining the lands. Should the City of Winnipeg require this right-of-way for future projects, the ninety (90) day cancellation provision will allow for this.

3. The City will benefit from this agreement by formally issuing all maintenance costs to 6779264 Manitoba Ltd.

4. The opportunity to repurpose the adjacent long vacant commercial building (aka Winnipeg Cold Storage) will benefit the area as well as create new jobs.

5. There will be no expenses incurred by the City as a result of this Agreement.

HISTORY

The property at 422 Jarvis (former Winnipeg Cold Storage building) was purchased by 6779264 Manitoba Ltd. in February 2014. This long vacant building has been repurposed into a manufacturing facility for medicinal marijuana.

Bonify Medical Cannabis has completed construction to the facility, including the installation of air handling units on the subject Encroachment Area. They originally believed this area was part of their property; however, after learning that this was untrue the appropriate documentation was submitted for an encroachment application.

The application was circulated to applicable City departments and public utilities for consideration and comments. All comments and concerns have been incorporated into the signed terms and conditions.

The Risk Management Division of Corporate Finance has reviewed the insurance requirements for this proposed lease and encroachment and their comments have been incorporated into the terms and conditions.

The Planning, Property and Development Department has negotiated proposed terms and conditions of an Encroachment Agreement in favour of 6779264 Manitoba Ltd.

This report seeks approval of the Encroachment Agreement as negotiated.
