COMMUNICATIONS

From the Chief Financial Officer, Office of the Chief Administrative Officer,

Submitting communication dated September 23, 2015, advising that the Community Trends and Performance Report – Volume 1 of the 2016 Budget, is being submitted as information.

Also advising that Community trends and performance measures are an integral part of the City's Operating Budget documents and, in September 2014, the City published for the first time, trends and performance measures in a separate volume in advance of the budget process. Similarly, this document provides context and timely information to support the 2016 budget decision-making process.

This Community Trends and Performance Report is published and will be posted to the City's internet website to provide access to this data for the City of Winnipeg Council and the Public.

From the Director of Legal Services and City Solicitor,

Submitting communication dated September 24, 2015, advising that By-law No. 82/2015, appends, as Schedule A, an amended 2015 Civic and Police Employees' Group Life Insurance Plans By-law No. 80/2015 and restates the amended By-law.

By-law No. 82/2015 was necessitated by various errors that were discovered in By-law No. 80/2015 after its enactment by Council in July, 2015. Due primarily to the fact that a draft of the by-law, rather than the final version, was inadvertently submitted to Council, the majority of these were errors in form and include typographical and formatting mistakes as well as errors in cross-referencing. However, some were substantive in nature. Although, in Legal Services' opinion, these are not especially significant, nevertheless, in the interests of transparency, Legal Services wishes to bring them to Council's attention.

Amendments to correct these errors include the following:

- the deletion of the words "and/or as the Civic Board may otherwise agree to by way of written contract" from the end of the opening paragraph in section 4.2;
- The inclusion of section 9.1, respecting the authority of the Civic Board, the Police Board and NewPlanCo during transition;
- Changes to section 13.1, respecting the indemnification of former staff of the boards or NewPlanCo who are or were City staff, its extension of the indemnification to include taxes and penalties, and the relocation of the last five lines of that section;
- The inclusion of a reference to Appendix A of the Civic Plan (Schedule A of the By-law). Note that the Appendix itself is in the custody of the Chief Administrative Officer but is not appended to the By-law due to concerns about confidentiality.

Communications (continued):

Due to the nature of the amending By-law, which by-law may receive all three readings, Legal Services is of the view that it can be brought directly to Council's attention as a communication. (By-law No. 82/2015)
