Report – Standing Policy Committee on Property and Development – September 15, 2015

Item No. 5 Subdivision and Rezoning – 131, 147 and 165 Aberdeen Avenue (Mynarski Ward)
File DASZ 20/2015 [c/r DAV 135556/2015D]

STANDING COMMITTEE RECOMMENDATION:

On September 23, 2015, the Executive Policy Committee concurred in the recommendation of the Standing Policy Committee on Property and Development and submitted the following to Council:

1. That the plan of subdivision under File DASZ 20/2015 be approved for preparation as a plan of subdivision by a Manitoba Land Surveyor in accordance with Schedule "A" for File DASZ 20/2015 dated July 14, 2015 with such minor changes as may be required, and for registration in the Winnipeg Land Titles Office subject to the following:

    A. That the Developer shall fulfill all the conditions outlined in the report of the Administrative Coordinating Group dated July 22, 2015 which is Schedule "B" of this report, with the following amendment:

        i. Amend Condition 2 by deleting "Schedule C", and replacing with "Schedule D dated September 8, 2015".

2. That the Winnipeg Zoning By-law No. 200/2006 be amended by rezoning the planned area shown on Schedule "A" for File DASZ 20/2015 dated July 14, 2015 to an "RMF-L" Residential Multi-Family District, subject to the following:

    A. That the applicant enter into a Zoning Agreement with the City pursuant to Section 240 (1) of The City of Winnipeg Charter to include the following conditions:

        i. That for the development of any building and/or accessory parking area and/or freestanding signage plans shall be submitted showing the design of the proposed buildings, the location and design of accessory parking areas, private approaches, pedestrian and plaza areas, garbage enclosures, fencing, landscaping, lighting, bicycle parking and freestanding signage to the Director of Planning, Property and Development and the Lord Selkirk West Kildonan Community Committee for plan approval prior to the issuance of any building or development permit, and thereafter all to be maintained to the satisfaction of the Director of Planning, Property and Development.

Report – Standing Policy Committee on Property and Development – September 15, 2015

ii. That the maximum height of any building shall not exceed seventy five (75) feet.

3. That the land dedication requirements will be considered satisfied by the applicant upon fulfillment of Condition 2 of the Administrative Coordinating Group dated July 22, 2015 which is Schedule "B" of this report.

4. That the Director of Planning, Property and Development be authorized to certify any documents in connection therewith.

5. That in the event the matter is not proceeded with expeditiously and the by-law is not passed within two (2) years after adoption of the report by Council, the matter shall be deemed to be concluded and shall not be proceeded with unless an extension of time is applied for prior to the expiry of the two (2)-year period and Council approves the extension.

6. That the Director of Legal Services and City Solicitor be requested to prepare the necessary by-law in accordance with the above.

7. That the subdivision section of the by-law shall come into force and effect upon registration of the Plan of Subdivision in the Winnipeg Land Titles Office.

8. That the zoning section of the by-law comes into force when the Zoning Agreement is registered in the Winnipeg Land Titles Office by caveat against the subject land within one year from the date the by-law is passed, failing which the by-law will expire and the matter shall be deemed to be concluded and shall not be proceeded with unless an extension of time is applied for prior to the expiry of the one year period and Council approves the extension.

9. That the plan of subdivision shall be approved and signed by the Director of Planning, Property and Development within one (1) year from the date the by-law is passed, failing which the matter shall be deemed to be concluded and shall not be proceeded with unless an extension of time is applied for prior to the expiry of the one-year period and Council approves the extension.

10. That in the event the necessary City of Winnipeg mylar approval signatures have not been secured within twelve (12) months after adoption of the by-law, the matter shall be deemed to be concluded and shall not be proceeded with unless an extension of time is applied for prior to the expiry of this twelve (12) month period and the extension is subsequently approved by Council.

Agenda – Council – September 30, 2015

Report – Standing Policy Committee on Property and Development – September 15, 2015

11. That the Director of Legal Services and City Solicitor be requested to do all things necessary for implementation in accordance with the terms of The City of Winnipeg Charter.

fencing, landscaping, lighting, bicycle parking and freestanding signage to the Director of Planning, Property and Development and the Lord Selkirk West Kildonan Community Committee for plan approval prior to the issuance of any building or development permit, and thereafter all to be maintained to the satisfaction of the Director of Planning, Property and Development.

ii. That the maximum height of any building shall not exceed seventy five (75) feet.

3. That the land dedication requirements will be considered satisfied by the applicant upon fulfillment of Condition 2 of the Administrative Coordinating Group dated July 22, 2015 which is Schedule "B" of this report.

4. That the Director of Planning, Property and Development be authorized to certify any documents in connection therewith.

5. That in the event the matter is not proceeded with expeditiously and the by-law is not passed within two (2) years after adoption of the report by Council, the matter shall be deemed to be concluded and shall not be proceeded with unless an extension of time is applied for prior to the expiry of the two (2)-year period and Council approves the extension.

6. That the Director of Legal Services and City Solicitor be requested to prepare the necessary by-law in accordance with the above.

7. That the subdivision section of the by-law shall come into force and effect upon registration of the Plan of Subdivision in the Winnipeg Land Titles Office.

8. That the zoning section of the by-law comes into force when the Zoning Agreement is registered in the Winnipeg Land Titles Office by caveat against the subject land within one year from the date the by-law is passed, failing which the by-law will expire and the matter shall be deemed to be concluded and shall not be proceeded with unless an extension of time is applied for prior to the expiry of the one year period and Council approves the extension.

10. That in the event the necessary City of Winnipeg mylar approval signatures have not been secured within twelve (12) months after adoption of the by-law, the matter shall be deemed to be concluded and shall not be proceeded with unless an extension of time is applied for prior to the expiry of this twelve (12) month period and the extension is subsequently approved by Council.

11. That the Director of Legal Services and City Solicitor be requested to do all things necessary for implementation in accordance with the terms of The City of Winnipeg Charter.

Note: The wording in bold and italics denotes amendments made by the Community Committee.

The Lord Selkirk-West Kildonan Community Committee provided the following supporting reason(s) for its recommendation:

1. The proposal helps to address the huge need for personal care homes throughout the City of Winnipeg.

2. Much effort by passionate and dedicated people of the project has gone into the proposal to ensure a scenic place for people to reside at and look into the backyard and see the river flowing by, as well as to see the Harry Lazarenko Bridge nearby.

3. The application goes a long way to assist with the revitalization of the north end, especially in this subject part of the City.

RECOMMENDATIONS

1. That the plan of subdivision proposed under File DASZ 20/2015 be approved for preparation as a plan of subdivision by a Manitoba Land Surveyor in accordance with Schedule “A” for File DASZ 20/2015 dated July 14, 2015 with such minor changes as may be required, and for registration in the Winnipeg Land Titles Office subject to the following:

   A. That the Developer shall fulfill all the conditions outlined in the report of the Administrative Coordinating Group dated July 22, 2015 which is Schedule “B” of this report.

2. That the Winnipeg Zoning By-law No. 200/2006 be amended by rezoning the planned area shown on Schedule “A” for File DASZ 20/2015 dated July 14, 2015 to an “RMF-L” Residential Multi-Family District, subject to the following:

   A. That the applicant enter into a Zoning Agreement with the City pursuant to Section 240 (1) of The City of Winnipeg Charter to include the following conditions:

      i. That for the development of any building and/or accessory parking area and/or freestanding signage plans shall be submitted showing the design of the proposed buildings, the location and design of accessory parking areas, private approaches, pedestrian and plaza areas, garbage enclosures, fencing, landscaping, lighting, bicycle parking and freestanding signage to the Director of Planning, Property and Development and the Lord Selkirk West Kildonan Community Committee for plan approval prior to the issuance of any building or development permit, and thereafter all to be maintained to the satisfaction of the Director of Planning, Property and Development.

ii. That the maximum height of any building shall not exceed seventy five (75) feet.

3. That the land dedication requirements will be considered satisfied by the applicant upon fulfillment of condition #2 of the Administrative Coordinating Group dated July 22, 2015 which is Schedule "B" of this report.

4. That the Director of Planning, Property and Development be authorized to certify any documents in connection therewith.

5. That in the event the matter is not proceeded with expeditiously and the by-law is not passed within two (2) years after adoption of the report by Council, the matter shall be deemed to be concluded and shall not be proceeded with unless an extension of time is applied for prior to the expiry of the two (2)-year period and Council approves the extension.

6. That the Director of Legal Services and City Solicitor be requested to prepare the necessary by-law in accordance with the above.

7. That the subdivision section of the by-law shall come into force and effect upon registration of the Plan of Subdivision in the Winnipeg Land Titles Office.

8. That the zoning section of the by-law comes into force when the Zoning Agreement is registered in the Winnipeg Land Titles Office by caveat against the subject land within one year from the date the by-law is passed, failing which the by-law will expire and the matter shall be deemed to be concluded and shall not be proceeded with unless an extension of time is applied for prior to the expiry of the one year period and Council approves the extension.

9. That the plan of subdivision shall be approved and signed by the Director of Planning, Property and Development within one (1) year from the date the by-law is passed, failing which the matter shall be deemed to be concluded and shall not be proceeded with unless an extension of time is applied for prior to the expiry of the one-year period and Council approves the extension.

10. That in the event the necessary City of Winnipeg mylar approval signatures have not been secured within twelve (12) months after adoption of the by-law, the matter shall be deemed to be concluded and shall not be proceeded with unless an extension of time is applied for prior to the expiry of this twelve (12) month period and the extension is subsequently approved by Council.

11. That the Director of Legal Services and City Solicitor be requested to do all things necessary for implementation in accordance with the terms of The City of Winnipeg Charter.

REASON FOR THE REPORT

- The applicant intends to rezone the property to an "RMF-L" Residential Multi-Family (Large) District.
- The proposed rezoning will accommodate an expansion to an existing assisted living facility currently located on the subject lands. While the majority of the subject lands are zoned "RMF-L", part of the subject lands are zoned "PR1" Parks and Recreation District.
- The subject applications will consolidate all of the underlying lots and parcels and will provide a consistent zoning for the lands.

The intended use of the land requires a rezoning and subsequent Public Hearing as per the *Development Procedures By-law* and *The City of Winnipeg Charter.*

- The report is being submitted for the Committee's consideration of the development application at the Public Hearing.
- The Public Service recommends the rezoning be approved subject to any conditions specified herein.

IMPLICATIONS OF THE RECOMMENDATIONS

- If the recommendations of the Urban Planning Division are concurred in, the subject lands can be rezoned to an "RMF-L" Residential Zoning District.

REPORT SUMMARY

- The applicant intends to rezone the property to an "RMF-L" Residential Multi-Family (Large) District.
- The proposed rezoning will accommodate an expansion to an existing assisted living facility currently located on the subject lands. While the majority of the subject lands are zoned "RMF-L", part of the subject lands are zoned "PR1" Parks and Recreation District.
- The subject applications will consolidate all of the underlying lots and parcels and will provide a consistent zoning for the lands.
  The intended use of the land requires a rezoning and subsequent Public Hearing as per the *Development Procedures By-law* and *The City of Winnipeg Charter.*
- The report is being submitted for the Committee's consideration of the development application at the Public Hearing.
- The Public Service recommends the rezoning be approved subject to any conditions specified herein.

SITE DESCRIPTION

The subject lands are located at the southeast corner of Redwood Avenue and Main Street in the North Point Douglas neighbourhood of the Mynarski Ward.

Surrounding Land Use and Zoning

North: Redwood Avenue then commercial lands zoned "C2" and "C3" Commercial District.
South: Aberdeen Avenue then a parking area used by the Holy Family Nursing Home zoned "C2" Commercial District.
East: City owned lands including a walking trail zoned "PR1" Parks and recreation District, then the Red River.
West: Main Street, then commercial properties zoned "C2" Commercial and "C3" Commercial District.

Figure 1: Subject Site and Surrounding Land Uses (Aerial Flown 2012)

Figure 1 above illustrates the subject lands and the actual lands that will be rezoned through this application. These are privately owned and under the same ownership as the remainder of the lands. As background, the lands were originally acquired from the City of Winnipeg in exchange for lands transferred to the City to expand the Redwood Avenue right of way width. The lands transferred from the City simply retained there "PR" zoning. This was not an issue at that time as there was no development application in the works. Now that there is a development application in the works, the lands require a rezoning. It is uncommon for privately owned lands to be zoned "PR". Generally the "PR" zoning designation is limited to public land uses such as parks, community centers and schools.

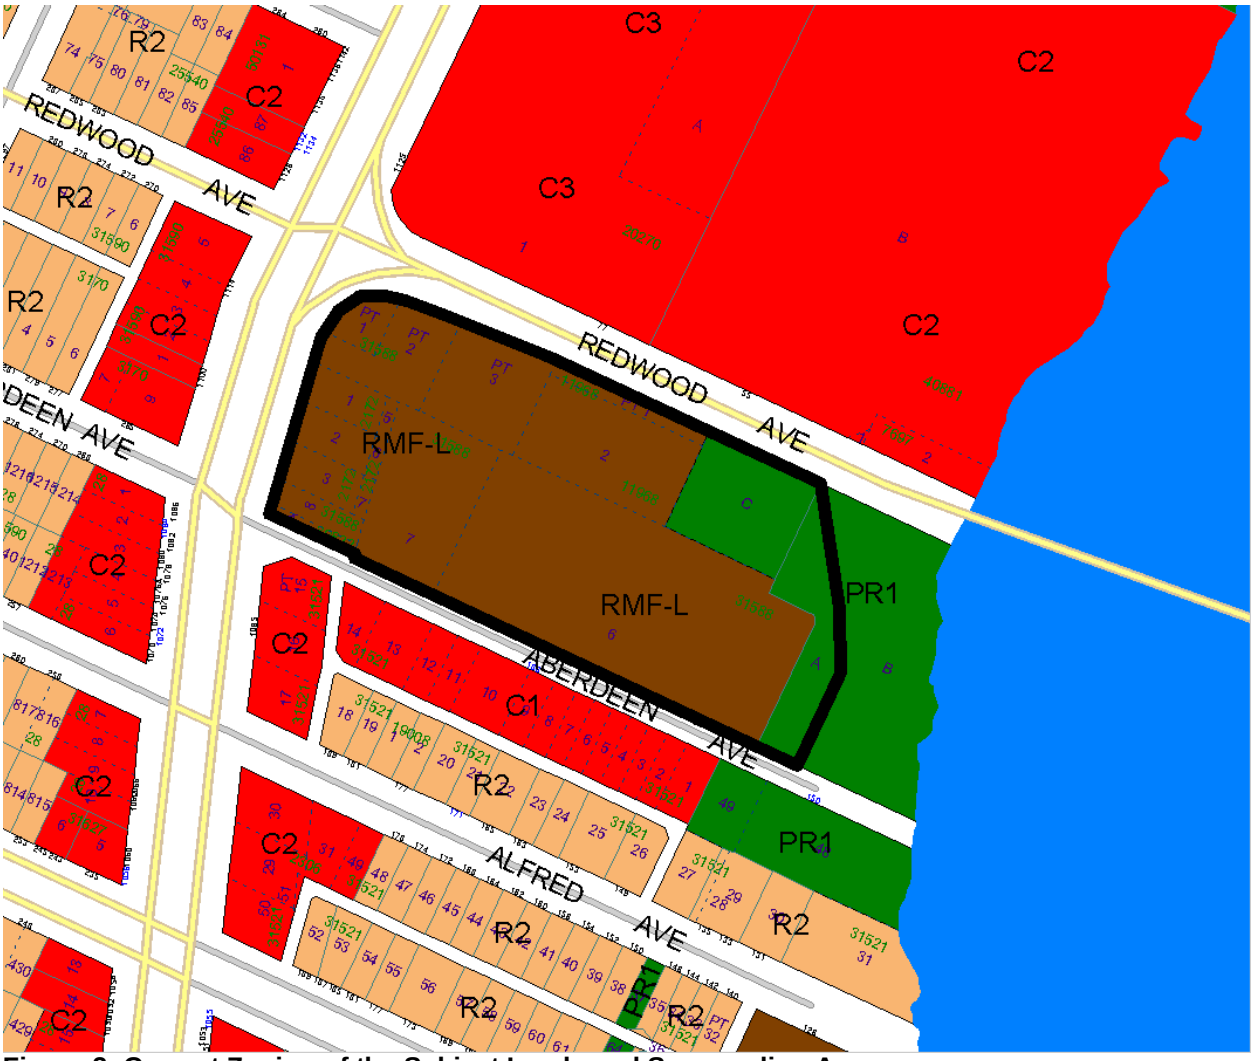

Figure 2: Current Zoning of the Subject Lands and Surrounding Area.

Figure 2, above, illustrates how the subject lands are currently zoned and the extent of lands that will be rezoned from “PR1” to “RMF-L” if the application is successful (shown as Parcel A and Parcel C).

DESCRIPTION OF THE PROPOSAL

- The applicant intends to rezone the property to an “RMF-L” Residential Multi-Family (Large) District.
- The proposed rezoning will accommodate an expansion to the assisted living facility on site.
- An assisted living facility is a permitted use in the “RMF-L” zoning district.
- The subject application will also serve to consolidate all of the subject lands under one lot and provide a consistent zoning to the property.
- The “RMF-L” zoning district is an excellent fit for the subject lands given that most of the lands are already zoned “RMF-L”; the site has frontage on Main Street which is designated as Regional Mixed Use Corridor.

ZONING

Zoning By-Law 200/2006:

The current zoning designation of the subject lands is “PR1” Parks and Recreation District.

> *The Parks and Recreation 1 (PR1) district is intended for sites that are generally passive neighbourhood and community parks and facilities with predominantly pedestrian and cyclist access. These sites may provide unstructured drop-in play and recreation opportunities, including play structures, passive parks, plazas and natural areas. Generally, there are no parking facilities associated with these uses. These parks and open spaces typically occur in a residential neighbourhood or riverbank context and are generally accessed by residential streets.*

The zoning district of the subject lands are not the most appropriate given that they are privately owned. Typically “PR” space is reserved for lands that are publicly accessible, such as the lands abutting the site to the east along the Red River that are owned by the City of Winnipeg. The existing “PR” use does not allow the proposed use on the privately owned lands.

Proposed Zoning District

The lands are proposed to be rezoned to “RMF-L” Residential Multi-Family District.

> The “RMF” Residential District Multi-Family (RMF) district is intended to accommodate the development of multi-family units in areas with medium to high residential densities.

COMPATIBILITY WITH EXISITNG DEVELOPMENT

Effectively, the rezoning application will provide zoning consistency for the subject lands, which are for the most part zoned “RMF-L” already. In this sense, the subject rezoning will facilitate the type of development that already exists on this site, which is assisted living. The proposed expansion that will result from the rezoning is not expected to have any adverse effect on neighbouring development. The context in which the site is located contains land uses that will not be impacted by proposed development. The site is bounded by commercial developments on the north and west sides (Redwood Avenue and Main Street respectively); a large parking area on the south side; and public space along the Red River on the east side. The closest residential land uses are more than 140 feet south of the nearest property line of the subject site and the newly proposed buildings to the east of the existing building will be another 150 feet further from that same property line. The subject site is separated from the existing residential dwellings by an open parking area located on the south side of Aberdeen Avenue.

ZONING AGREEMENT CONSIDERATIONS

The public service is recommending a zoning agreement be caveated on the lands for two purposes. One is to restrict the height of any proposed building to maximum of 75 feet. The other proposed condition of the zoning agreement is to provide the LSWK Community Committee with some scrutiny over the details of the final site plan through a plan approval process that requires the Committee’s approval.

ADMINISTRATIVE COORDINGATING GROUP (ACG) KEY CONSIDERATIONSHIGHLIGHTS

Public Service is recommending three key considerations in the ACG report. One is with respect to an easement over an area where a water main runs through the subject lands. The second is with respect to the need for a proper turnaround at the east terminus of Aberdeen Avenue whereby the developer is expected to transfer and legally open lands to accommodate this. The third consideration is with respect to a planned active transportation improvement along the riverbank, east of the site, whereby the developer is expected to give up lands at the eastern boundary of the planned area to better accommodate the proposed facility.

RECOMMENDATION

The Urban Planning Division recommends approval for the following reasons:

- The proposed rezoning will facilitate a development proposal that meets the policies of *Complete Communities* and the proposed zoning district better reflects the intended use of the subject lands.
