STANDING POLICY COMMITTEE ON PROPERTY AND DEVELOPMENT

QUESTION PERIOD

Minute No. 439
Councillor Gillingham noted that Recommendation 9 of Item 5 of the Report of the Standing Policy Committee on Property and Development dated June 2, 2015, *Jonathan Toews Community Centre – Fieldhouse,* made reference to adhering to the City's Sponsor Winnipeg Policy and questioned if the City was passive and waited for potential sponsors to come forward or active and somewhat aggressive in actively pursuing potential sponsors.

Councillor Orlikow stated that the sponsorship program was being re-jigged to determine the best fit for the function within the department. He added that past attempts with the policy and the web page to reach out had not been successful and the goal was to create a revenue generating program.

Councillor Eadie referred to the new mandate for CentreVenture and questioned if there would be any final consultation with Councillors before the new mandate was proposed to the Executive Policy Committee.

Councillor Orlikow advised that it was Council's job to decide what the mandate was and that this would help with the funding model which was tied into the mandate. He added that it has been a very collaborative process, and that while collaboration takes time, it usually results in the best results.
