Subject: Glenelm signage

Hi Helen,

As discussed, I am faxing a copy of the Land Dedication Reserve Fund Application I provided to Councillor Thomas Steen last summer. The documents include a map noting proposed locations for the signs and a copy of the quote from Airmaster Signs for the production and installation of 38 signs. As I mentioned, the East Kildonan-Transcona Community Committee meeting last September 16 approved the funding of 5,006.50 for the project. I was advised following that meeting that I would be contacted by City staff regarding the installation. When I didn't hear I assumed it was because it was approved in the fall and that I would hear from the City in the spring when the weather warmed up. To date I have not been contacted.

I have asked the designer of the sign, graphic artist Glen Sapach, a resident of Glenelm, to send you an electronic copy of the sign. The design was sent to Councillor Steen with the application, and we were advised it was approved.

Thank you for your assistance with this.

Sincerely,

Joanne

DETAILED PROJECT DESCRIPTION

Provide a detailed description of the planned project, including:

- Community need/ support for the project
- Community consultation, if applicable (surveys, open houses, etc.)
- City of Winnipeg staff involved in project to date
- Scope of work
- Cost estimates/ quotes
- Project schedule

Project details, plans and supporting documentation may be submitted as attachments.

In 1999 a group of area residents organized a number of public meetings to determine residents' interest in pursuing an area characterization name for the area bound by Henderson Hwy, Elmwood Park, the Elmwood Cemetary and the Red River. There was a great deal of interest and participation by residents. Residents proposed and selected the name Glenelm. On April 18, 2000, the East Kildonan Transcona Community Committee considered the matter and granted approval to recognize the area as Glenelm. The final piece of this project is to identify the community with signage. This will assist with furthering the development of a bond between area residents as they will more clearly identify the area as a community.

We have discussed this with Councillor Steeves office and he has indicated his support.

The signage would be metal, professionally designed and attached to lamp posts at entry points to the community and within it; 38 signs are required, the proposed size is 300 x 600 mm.

APPLICANT SIGNATURES

I/We hereby certify that I/we am/are the authorized signing officer(s) for the applying organization and this application is accurate to the best of my/our knowledge.

SIGNATURE	NAME PRINTED	TITLE/POSITION	DATE
Joanne Cerilli	Joanne Cerilli	Resident	July 9, 2014
Arlie Schulz	Arlie Schulz	Resident	July 9/2014

April 10, 2000

Mr. Mark Langstaff,
Clerk, E.K.-Transcona Community Committee

Dear Mr. Langstaff:

I hereby submit a request to appear before the April 18, 2000 meeting of the East Kildonan - Transcona Community Committee to request approval of an area characterization name for the area bound by Henderson Hwy., Elmwood Park, the Red River and the Elmwood Cemetary.

Over the past year a group of area residents have organized a number of public meetings to determine interest in this issue and to discuss it. The community has indicated a great deal of interest and support and, as a result, we come to the Community Committee with a name selected by the community. We request the above noted area be recognized as Glenelm, within the larger area of Elmwood. We are asking that this be recognized similar to the way Norwood Flats is an identifiable area within St. Boniface.

I look forward to discussing this issue with the Community Committee.

Sincerely,

Joanne Cerilli
